Read the following letter from the Under-Secretary to the Govt. of India, (Foreign Dept.) No. 2383 I.B. dated 24th June 1897:-

M

I am directed to acknowledge the receipt of your letter No. 339, dated the 15th May 1897, regarding the boundary between British and Hyderabad territory on the Godavari river.

2. The Assistant Surveyor-General, Calcutta, has been requested to furnish you with a copy of the last survey map of the Godavari river, such as has recently been supplied to the Resident at Hyderabad. No survey was made by the Survey of India about 1880-81, as stated by Mr. Cardozo, but the map, of which a copy is to be forwarded to you, was published in the present form between the years 1879 and 1881.

3. It is not necessary to demarcate the political boundary between British and Hyderabad territory. It is to be left the left margin of the deep stream of the river, as it may exist from time to time.

4. A copy of this letter is being forwarded to the Resident at Hyderabad.

Order thereon, Misc. No. 3368 dated 3rd July 1897.

Recorded pending receipt of the Survey map referred to in para. 2.
