*E. A. Elwin, Esquire,
Chief Political Agent
Kurnool.*

The Political Agent, Kurnool,
forwards six petitions from the
inhabitants of various villages
in the Banganapalli State
complaining that the Nawab
is not taking measures to
afford relief to the distressed
during the present famine.
The petitioners pray that road
works be started and that loans
be granted for the improve-
ment of their lands and for
the purchase of cattle fodder.
As remarked by Mr. Elwin the
Nawab's finances would
not permit of relief being
afforded on a large scale.

they live by working at the road work
To.

The Chief Secretary to the
Government of Madras.

Thro' The Political Agent
of the road work Kurugol District.

The mahazar presented by the undersigned
ryots and residents of Kavalak
Kusi village, Bayanapalli taluk
is as follows:-

Sir,

We and our cattle are suffering
much for want of food and fodder
as there was no rain last year and
crops utterly failed. As there are no
gardens and wells we are unable
to raise garden crops and live by it.
In this famine time neither our Kavalak
Syed Sathallikhan Bahadur nor
our ghajirdar Muthuajallikha
Quon has made any arrangement
for the protection of us and our
cattle. Not even road works have been
opened for coolies to earn their livelihood.

2
They live by working at the road works
started by the honourable government
for the protection of the poor. Had
not the road works been started, people
living by cooly would have ~~needed~~^{gone} to
the other world. But by ~~the~~^{the} ~~provision~~^{provision}
of the road works they are now alive.
But if we think of leaving the village and
going to road works, we find it difficult
to ~~abandon~~^{for} our foddler cattle. What
therefore we request you is to consider
our prayer and make similar arrange-
ments to those you have done for giving
loans to the ryots of your country for
digging wells and buying fodder on
the security of their lands. One who
see also your children for the
purpose of constructing side well
along the banks of the river Palara run-
ning across of our fields and raising
garden crops such as Kagi & Kori
for protecting ourselves & our cattle.
If no such arrangements are made
we will all perish for want of food.
We have survived till now as we have
old fodder and grain but to live in

is difficult. We are unable to represent our cause to our government as we have already petitioned to the Government against the injustice done to us. We therefore request that you will take pity on us poor ryots and arrange to get us loans, each according to his necessity, either from our govt. or from the Government for the construction of the side wells to the river on the security of our lands so that we may not die.

SIR,

I have the honour to submit herewith 6 petitions addressed to Government by the inhabitants of various villages in the Bangam-palli State, complaining that the Nawab is not affording measures of relief during the present period of distress as is being done in British territory.
