Proceedings of the Madras Government.

Read the following paper:—

From the Principal of the Muhammedan Anglo Oriental College, Aligarh, dated 25th March 1897:—

In accordance with the wishes of the Government of Madras I beg to submit a report on the progress made by the three sons of Muhammed Saad Khan Bahadur, grandson of the late Nawab of Kurnool.

The eldest, Hafi-ul-Mulla has just left the College after appearing for the Intermediate examination. He has been with us for two years. I have been satisfied with him in every way. He is a steady worker, intelligent, and of excellent conduct. His manners are courteous, modest and gentlemanly. He went through a course in the riding school and used to play football. I was informed by the Government that it was intended that he should be trained for employment in the Government service. I can confidently recommend him as a very promising young man.

The second Sclaudian Jahn has been working for one year in the first year class of the College. He is doing well.

The third Shuja-ul-Mulk is a nice little boy; but is not making very rapid progress. I have however no anxiety as to his getting on all right; though he does not seem to be very intelligent.
