Officer Southern District, but the government has in G.O. N^o. 57 Political dated 20th February 1892 ruled that all furniture required for it should be supplied at its own cost. Mr Nicholson has accordingly arranged for the supply of the almirahs which he intended should be paid for, from the contingencies of this office.

2. As regards the iron cot application was made to the Surgeon-General with Government who replied that as no provision was made therefor in his budget, they should be obtained from some of the firms in Bombay or Madras. I find from Messrs Whenn & Bennetts catalogue that their charge for a suitable cot is Rs 12-8-0 and as this limit is in excess of my sanctioning power. I have the honour to request that Government will be pleased to permit me to purchase them from my contingencies as well as the articles to which reference is made above.

Sir,

In reply to Memorandum from

the Political Department N: 1628 of the 3rd Instant, I have the honour to report for the information of Government that the total cost of the proposals in my Ref on Ck: 1470 of the 23rd ultimo, comes to Rs 301- viz Admirals Rs 201 and iron cots Rs 100.

I do not think it will be quite possible to meet the whole of this amount from the provision for contingencies in my budget. At any rate no special provision has been made for the purpose.

in that budget as the outlay was not
foreseen when the budget was prepared.
at the same time it is too soon to say
how far savings can be effected to meet
the charge. Mr. Nicholson thought that
if an additional allotment was required
application could be more appropriately
made towards the close of the year when
the position of funds can be better
ascertained. The old unserviceable
almirahs &c of my office have recently
been sold by public auction and a
sum of Rs 250 will soon be credited
on account of the proceeds thereof.

The original enclosure of the memorandum under acknowledgment is herewith
returned.

I have the honour to be,

Sir,

Your most obdt servant,
