Sir,

I have the honor to acknowledge the receipt of your letter No. 234 dated 16th August 1897 intimating that His Excellency the Governor has been pleased to entrust the disbursement of the allowance of Rahmat-un-nisa Begam to me and also giving me to understand that "family disputes or quarrels cannot be permitted to interfere in any way with the payment of the pension".

In reply I beg to assure you that I have never before allowed family disputes to interfere in any way with the payment of the pension which was entrusted to me for distribution, nor will I allow myself to be influenced in future. My letters to you and to government from time to time in respect of previous payments, will, I am sure, fully bear me out, and I assure you and government that I have no personal ill will at all towards Rahmat-un-nisa nor do I consider her responsible for any thing that has been done in her name.

I beg that you will be so good as to forward a copy of this letter for the information of Government.

I have &c.
