GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From C. H. A. HILL, Esq., Under Secretary to the Government of India, Home Department (Judicial), to the Chief Secretary to the Government of Madras, dated Simla, 13th September 1897, No. 1232.

I am directed to forward a copy of an application from Mrs. Emma Catherine Wood for information regarding her uncles John and William Norwood, who are said to have joined the service of the East India Company, and their property.

2. I am to request that, with the permission of the Governor in Council, inquiries may be instituted into the matter and the result reported to the Government of India.

ENCLOSURE.

From Mrs. E. C. WOOD, to the Right Honourable the Viceroy of India, dated 10, Lincoln Street, Bow Road, London E., 5th August 1897.

I trust that you will forgive the liberty I take in addressing you; but trust you will kindly entertain my application for information regarding two uncles who left London about 57 years ago for India to join the "East India Company's service:" their names were John and William Norwood. They left in London, Spitalfields and Drury Lane, several brothers and sisters, all that are now left are three nephews, James Norwood and my husband and his brothers James and Thomas Wood. We have been informed that there was a notice in a newspaper asking for persons of the name of Norwood to come forward as there was property left by an Indian gentleman of that name. John and William Norwood's mother's maiden name was "Lettiaca Pullen." Any news your Lordship will be kind enough to communicate will be most thankfully received.

ORDER—No. 1310, Public, dated 2nd October 1897.
