the same pension for our-
 To
 His Excellency
 The Governor in Council
 Fort Saint George
 Madras.
 13 OCT. 1897
 May it please your Excellency,

We, your Excellency's most humble petitioners, who are reading in F.A. junior class and who belong to the respectable family of Wallajah - the Nawab of Carnatic, regret to say that we are under such miserable circumstances which prevent us from prosecuting our study for F.A.

Your Excellency's humble petitioners grandfather (maternal side) namely the late Minhajuddin Ahmed Khan was the grandson of Nawab Hissamul-Mulk Bahadur - the son of Wallajah.

On the death of Nawab Hissamul-Mulk who was getting a pension of Rs 4000 per month, the petitioners' grandfather, the said Minhajuddin Ahmed Khan got a pension of Rs 133 per month. He had two wives, namely

- 1) Najibun Nisa Begam (Shadi wife)
- 2) *Amina Khanam (nikah wife).

Your Excellency's humble petitioners are the sons of Harimun Nisa - the daughter of the said *Amina Khanam.

On the death of Minhajuddin Ahmed Khan (out of his pension of Rs 133) the said Najibun Nisa Begam, being Shadi wife, was allowed pension of Rs 75 per mensem, on condition, that the pension was meant for her support and that of Amina Khanam's and her daughter's. A few years after, our grandmother - Amina Khanam died, in consequence of which, her daughter i.e. our mother and ourselves were allowed

the same pension for our support. As
that our mother also died and Najibun Nisa
Begam (being bound by the Government) continued
giving our mother's pension to us for our support.
Unfortunately Najibun Nisa Begam herself died
in December 1892 and we all applied to
the Government for the pension, but no atten-
-tion was paid to your excellency's humble
petitioners' father request. And as our father
was alive we pushed on however up to this
time to prosecute our study.

Now your excellency's humble petitioners'
father too died on the 31st December last
leaving us helpless and unprotected with
no one to look for help except your excellency,
the guardian and protector of such orphans.
Though we are allowed a scholarship of
Rs 7 per month by the Director of Public Ins-
-tructions which is just sufficient for our
college-fees and books, we have no earning
for our meals which prevents us from proce-
-cuting our study any further.

Consequently, the humble petitioners hope
that your excellency will liberally and graciously
award each a small sum per month sufficient
for meals, thus enabling them to prosecute their
study.

Helping such helpless ones in time of
scarcity and want will be just like raising
a dead from the grave.

For which act of kindness and generosity
your excellency's humble petitioners shall, as in
duty bound, ever pray for your long life and
prosperity.
