TENTH YEAR.

In reviewing the work of the Queen's Jubilee Cricket Club for the last year, it behoves us to give a brief retrospect of the Club for the last ten years during which period no public meeting of the kind that we have now arranged for, was convened: nor was the annual statement printed and published.

It was on the memorable occasion when 'the Empire in which the sun never sets' was busy with her festivities manifesting her loyalty and love to her sovereign Queen, that a band of young men, residents of North Black Town, with Mr. V. Sabapathy Mudaliar, as Captain, Mr. R. Kurasaloo Naidu, as Vice-Captain and Mr. N. Natasa Mudaliar n. a., as Secretary, started this Club; and we would be failing in our duty if we do not on this auspicious occasion publicly recognize the indefatigable zeal and energy of these three gentlemen to whom and to Messrs. G. Gershom Pillay, C. Narayanaswamy Mudaliar and E. Nicholas who succeeded Mr. Natasa Mudaliar, as Secretaries after his premature death, as well, the Club owes its continued success, prosperity and its present status.

Now that the Club has successfully passed through the struggling periods of birth and infancy, we have thought it desirable and even warranted that the Madras public, especially those interested in the noble game of Cricket, should know what we have been doing these ten years: and as we find no occasion and hour more fitting than the Diamond Jubilee, we have united the reading of the Annual Report with the festivities we are bound to observe, as far as circumstances permit, not only as Her Majesty the Queen Empress of India's loyal subjects, but also in conformity with the nature of the occasion which called forth the Club into existence and which finds expression in its denomination.

During the last ten years 143 matches were played of which 84 were won, 42 drawn, and 17 lost; and the following are among the teams against which they were played:—Doveton College C. C., The Young Men's C. C., The Madras United Club, Poonamallee Depot, C. C., Railway officials,

Arkonum, Perambore Works, the Standard Eleven, the Active Eleven, &c., &c.

Situated as the majority of the members are in North Black Town, we are under a great disadvantage with respect to the ground on which we practice. The Barracks parade ground, now used, is bare of grass and covered with sand, consequently there is great deal of wear and tear, and our bowling on foreign grounds do not come up to our expectations.

There are now 38 members on the rolls of the Club excluding those who belong to the Foot Ball section alone. This section was added a few months ago, and the results of the 3 matches played augers well for the future.

Before drawing the report to a close, a word of exhortation will, we hope, be not considered amiss. We all have come to realize the importance of the game of cricket, and the interest evinced by our people after the splendid performances of Ranjitsinghi who secured the championship last year, is undoubtedly worthy of us. In what way could those who have not taken to cricket, but who actually love the game, evince their practical interest? Our membership does not include more than three or four officials, and cricket is a costly game, if it is to be played scientifically. How then is it possible for this club to secure the necessary equipments? If it be your wish, gentlemen, that this club which has passed through 10 years should continue its success and grow out to attain proficiency and fame, then let each one of you, as his circumstances permit, contribute towards the general fund, and in return we can assure him that we would prove worthy of his trouble and do our level best to honour our patrons by such acts as are in our province.

In conclusion we thank the many clubs which have arranged to play against us, the gentlemen who have, from time to time, given us their counsel gratis, and those who have sympathised with us.

T. N. CUNNOOSWAMY NAIDU,

Hon. Secretary.

Sir,

I have the honor to inform you that a Club designa-
