Prince Gulam Mohand died here a gold watch
purchased in England which he wore until his death.
He and seems to have had a great regard for him.
In 1859 he seems to have fallen under the displeasure
of the Maharaja of Mysore and to have been dismissed
from the charge of Mysore's tombs. He was
reappointed in 1862 but never returned. He got a
pension from the British Government in 1873
of Rs. 10 per mensem & an annual clothing
allowance of Rs. 51. It was increased in 1878 to
Rs. 20 & in 1881 the clothing allowance was increased
to Rs. 100. In 1885 it was increased from Rs. 20 (now
increased to Rs. 25) to Rs. 25 per mensem. He has

CURRENT NO 1529
S. H. Wynne Esquire,

Collector & District Magistrate,

North Arcot.

To

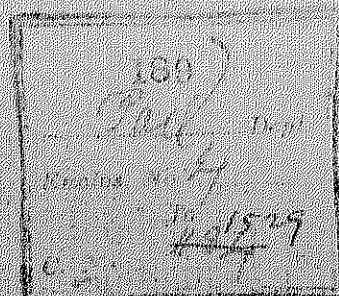

The Chief Secretary to Government,
Political Department.

Sir,

I have the honor to resubmit herewith the petition of Haji Mahommed Hussain Khan received with G.O., R. no 266 dated 22nd September 1897 with its four enclosures and to report as follows:-

2. The petitioner is connected with Hyder Ali's family both through his father and his mother. His father Mahommed Makdoom was a brother of Muthiaz Banno Begum who was married to Prince Kaseem Shah, one of the sons of Hyder Ali. His mother Sultan Beehee was one of the four daughters of Hussain Beehee whose sister Mahboob Begum was a wife of Hyder Ali. His grand father, Ismail Khan, was Governor of the Kolar Fort and subsequently Admiral on the Malabar Coast and Paymaster of the Forces and his great uncle was Governor of Calicut.

This information is taken from the letter from the Sub-Collector, North Arcot, dated 27/12/97.

3. In 1854, the petitioner was appointed
keeper of the tombs of Mysore family at
Serangapatam on the recommendation of
Mr. Sullivan to Sir Mark Cubbon. This ap-
pointment he lost in 1860 for not going
to pay his respects to one of the late Maha-
rajahs of Mysore. After the loss of his appoint-
ment, he was under the protection of his
brothers for some time. In 1872, he applied
to the Madras Government for a pension.
The Government granted him a monthly
pension of Rs 10 and a clothing allowance
of Rs 51 per annum in 1873 on the recom-
mendation of Mr. Kelsall, which sums were
afterwards increased to Rs 35 and 100 res-
pectively.

4. The petitioner has 6 sons and 3 daughters.
The eldest son aged 20 years has passed
the Lower Secondary Examination in the
first class, and is going up for the Matricu-
lation Examination this year. The Head
master of the school where he is being edu-
cated expects him to pass. The second and
third sons of the petitioner aged about
18 and 16 years respectively are reading
in the first form. They are reported to be
about the middle of the class. The petitioner
requests that his eldest son of whose
success in the examination the petitioner
is not confident, may be exempted from
the examination rules and given an

an appointment in the Revenue Department,
that his second son may be given Commis-
sion in the Military Department and that
Government may undertake the education
of his third son or that he may be given
some more pecuniary help till he com-
pletes his education.

5. I do not see that the petitioner had
any further claim on the Madras Government.
His original object was to get a Commission
from the Mysore Government for his son in
the Silladar Horse, and with this view he
had an interview with the Resident of
Mysore in 1896, who after recording the
interview in the note of which he (the peti-
tioner) sends a copy, gave him the formal
endorsement dated 20.11.96, which is at-
tached to the petition. It was merely in
consequence of that endorsement that
he has submitted his present petition.

I have the honor to be,
Sir,
Your most obedient servant,
For Collector.
