Drawing the attention of the Surgeon-General and of the Local and Municipal Department to certain irregularities in connection with the lending of the services of Hospital Assistant V. O. Subramaniya Mudaliyar to the Sanduru State; addressing the Government of India on the subject of the payment of pensionary contribution by the hospital assistant; and informing the Political Agent, Sanduru, that all officers whose services are lent to Native States should be included in the quarterly returns submitted with reference to G.O., No. 497, Political, dated 2nd October 1889.

GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

READ—the following papers:—

From H. A. STUART, Esq., Acting Collector of Bellary, to the Chief Secretary to Government, dated 15th October 1897, Ref. on C. No. 4809.

I have the honour to request instructions as to whether the hospital assistants employed in the Sandūru State should be included in the quarterly returns submitted to Government of officers whose services have been lent to the Native States.

2. In his letter, No. 2980, dated 11th October 1897 (copy enclosed), the District Medical and Sanitary Officer, Bellary, states that the name of the hospital assistant may be included in the return, but that the sanction of Government has not been obtained for a loan of his services. I append below the information required for inclusion of his name in the return submitted with my Dis. No. 6239, dated 29th September 1897, if necessary:—

Number and date of letter of the Government of India or other authority sanctioning the transfer.	Name of officer and appointment held under the British Government.	State to which transferred. ENCLOSURE.

From Surgeon-Major R. H. CAWA, Acting District Medical and Sanitary Officer, Bellary, to the Collector of Bellary, dated 10th October 1897, R. C. No. 2980.

With reference to your letter, No. 4809, dated 5th October 1897, I have the honour to inform you that Hospital Assistant Subramaniya Mudaliyar is only acting at Sandūru in place of the late Hospital Assistant J. P. Appavoo Pillai, and the sanction of Government does not seem to have been obtained to lend his services permanently. His name may be included in the quarterly return of officers lent to Native States.

2. With reference to your paragraph 2, no return or statement is sent from this office to Government in respect of the officer in question.

Memorandum No. 2391.

Referred to the Surgeon-General for favour of report as to the circumstances under which the services of Hospital Assistant V. C. Subramaniya Mudaliyar were lent to the Sandūru State without the sanction of Government. Attention is invited to

article 806 of the Civil Service Regulations. The Surgeon-General is also requested to state whether pensionary contribution has been recovered on account of the hospital assistant or whether the case falls under article 815 (a) of the Civil Service Regulations.

The reply to this reference should be forwarded through the Accountant-General.

13th November 1897.

(Signed) A. T. ARUNDEL,
Chief Secretary.

From the Surgeon-General with the Government of Madras, dated 31st January 1898, No. 98.

From Surgeon-Major-General C. SIBTHORPE, C.B., F.R.C.P.I., Surgeon-General with the Government of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Madras, 9th December 1897, No. 509.

In returning the accompaniment of your memorandum, No. 2391, dated the 13th November 1897, I have the honour to state that the services of Hospital Assistant V. C. Subramaniya Mudaliyar were not lent by this department to the Sandūru State. He was at the time a Local Fund subordinate doing duty at Bellary.

2. The District Medical and Sanitary Officer, Bellary, who was asked to report the circumstances under which the hospital assistant was sent to Sandūru, states as follows:—

“From records in this office, I find that first-class Hospital Assistant J. P. Appavoo Pillai, permanently attached to the Sandūru State, went on sick leave, and on the urgent application of the Administrator of the State through the Collector, third-class Hospital Assistant V. C. Subramaniya Mudaliyar was posted on the 1st February 1897 to act for Hospital Assistant Appavoo Pillai. Hospital Assistant Subramaniya Mudaliyar was then a Local Fund subordinate doing duty, Bellary. I presume that the sanction of Government was not obtained in this case as the posting was originally intended to be only of a temporary nature and to cover a short period. As it happened, however, Appavoo Pillai died on sick leave and Hospital Assistant Subramaniya Mudaliyar continued to act at Sandūru till a man was permanently posted.”

3. As a Local Fund hospital assistant Subramaniya Mudaliyar's transfer to the Sandūru State was barred by article 809 (c), Civil Service Regulations. He does not appear to have paid the required contribution while employed in Sandūru from 1st February to 28th October 1897. Nor does his case seem to fall under article 815 (a), Civil Service Regulations.

4. This hospital assistant was brought on the Government establishment under G.O., No. 831, Public, dated 30th June 1897, from the 13th August 1897 (the date he signed his agreement), and the Accountant-General says that while employed under Local Fund service his appointment was pensionable—*vide* G.O., No. 2373 L., dated 25th October 1893. In these circumstances, I would suggest that he may now be permitted to pay the required contribution to the British Government in respect of his service in Sandūru so that he may not forfeit his past service.

No. I.A.E.—261-C.

Submitted to Government, with the following remarks: Before Subramaniya Mudaliyar joined his appointment as third-class hospital assistant in the Sandūru State, *i.e.*, on the 1st February 1897, he was a Local Fund subordinate doing duty at Bellary and his appointment was pensionable under G.O., No. 2373 L., dated 25th October 1893. While employed in the Sandūru State, he was brought on the Government establishment under G.O., No. 831, Public, dated 30th June 1897, with effect from the 13th August 1897. As an officer of the Local Fund Board, his transfer to the Sandūru State is barred by article 809 (c) of the Civil Service Regulations, and he was not qualified for such transfer as a Government officer, as he had not completed ten years' qualifying service as required by article 806 (iii) of the Regulations. His case

cannot be brought under article 815 (a), as the appointment in the Sandúru State was not created for a special temporary purpose not lasting more than six months and as the duration of his employment therein exceeded that period, article 865 of the Civil Service Regulations is applicable to Subramaniya Mudaliyar's case, and as the period of his employment in the Sandúru State constitutes an interruption entailing forfeiture of his past service, it is for Government to decide whether, with the previous sanction of the Government of India, Subramaniya Mudaliyar should be permitted to pay the required contribution to the British Government in respect of his service from 1st February to 28th October 1897. In explanation of the delay in the disposal of this case, it may be stated that, in consequence of a reference from this office, the Surgeon-General withdrew his original application to Government and submitted a revised one with the same number and date on the 27th January 1898.

FORT ST. GEORGE,
3rd February 1898.

(Signed) F. C. HARRISON,
Accountant-General.

ORDER—No. 165, Political, dated 4th March 1898.

From the last communication from the Surgeon-General read above, it appears that Hospital Assistant V. C. Subramaniya Mudaliyar was on the 1st February 1897 a Local Fund subordinate, doing duty at Bellary, when his services were lent to the Sandúru State by the District Medical and Sanitary Officer at the instance of the Political Agent. This transfer of the hospital assistant was opposed to article 809 (c) of the Civil Service Regulations. On the 13th August 1897, the hospital assistant was, by G.O., No. 831, Public, dated 30th June 1897, transferred from the Local Fund to the Government establishment, but this did not validate his transfer which was in contravention of article 806 (iii), as he had not prior to the transfer to foreign service completed ten years' qualifying service. The attention of the Surgeon-General and of the Local and Municipal Department will be drawn to these irregularities.

2. The hospital assistant's appointment under the Local Fund Board was pensionable under G.O., No. 2373 L., dated 25th October 1893. The Accountant-General points out that unless the hospital assistant is permitted, with the sanction of the Government of India, to pay the necessary contribution in respect of his foreign service, from 1st February to 28th October 1897, the period of his employment in the Sandúru State will constitute an interruption entailing forfeiture of past service. The Government of India will accordingly be addressed on the subject.

3. With reference to the enquiry in paragraph 1 of his letter, the Political Agent, Sandúru, will be informed that all officers whose services are lent to Native States should be included in the quarterly returns submitted with reference to G.O., No. 497, Political, dated 2nd October 1889.

Transfers to Foreign Services.

Requesting that the Hospital Assistant V. C. Subramaniya Mudaliyar, whose services were lent to the Native State of Sandúru, may be permitted to pay his pensionary contribution.

POLITICAL DEPARTMENT.

LETTER—from

THE CHIEF SECRETARY TO THE GOVERNMENT OF
FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FOREIGN DEPARTMENT.

SIR,

I am directed to submit, for the orders of the Government of India, the following case in which the services of a hospital assistant were irregularly lent to the native State of Sanduru in this Presidency as a temporary measure.

2. The hospital assistant attached to the State proceeded on sick leave in the beginning of 1897 and V. C. Subramaniya Mudaliyar, who was at the time a Local Fund hospital assistant doing duty at Bellary, was deputed on the 1st February to act for him by the District Medical and Sanitary Officer in consequence of an urgent requisition received from the Administrator of the State through the Political Agent. The appointment held by this Local Fund hospital assistant was pensionable under the proceedings of this Government, No. 2373 L., dated 25th October 1893 (copy enclosed). The permanent hospital assistant attached to the State died in the following April and V. C. Subramaniya Mudaliyar continued in the employ of the State till the 28th October when arrangements were made for replacing him by a Government hospital assistant. The Local Fund hospital assistant was thus on foreign service from the 1st February to the 28th October 1897. During this period he was transferred from the Local Fund to the Government establishment on the 13th August 1897 under the proceedings of this Government, No. 831, Public, dated 30th June 1897 (copy enclosed).

3. The transfer to the State of the services of V. C. Subramaniya Mudaliyar was opposed to article 809 (c) of the Civil Service Regulations since he was in Local Fund service. Even after he was brought on the Government establishment (*vide* preceding paragraph), his transfer contravened article 806 (iii), as he had not prior to the transfer completed ten years' qualifying service. He cannot be exempted from the payment of contribution under article 815, as the period of his employment in the Sanduru State exceeded six months and the appointment itself was not created for a special temporary purpose.

4. Unless the hospital assistant, who is in no way responsible for the irregularities noticed above, is permitted to pay the required contribution to the British Government in respect of his service from 1st February to 28th October 1897, the period of his

employment in the Sanduru State will constitute an interruption entailing forfeiture of past service. I am therefore to request that the Government of India will be pleased to permit the hospital assistant to pay the contribution in question. I am to add that the attention of the officers concerned has been called to the irregularities which have given rise to this reference.

I have the honour to be,

Sir,

Your most obedient servant,

prior to the transfer of ~~from~~ ten years' qualifying service. ~~and~~ ~~regarding the transfer of his service~~. The attention of the Surgeon-General and of the Local and Municipal dept. will be drawn to these irregularities.

2 The hospital acct's appointment ^{under} the Local Fund Board was permissible under C. O. No. 2373 L d/ 25 Oct. 1893 ~~regarding~~ ~~service in the hospital~~ ~~from 1st Feb. to 28 Oct. '97~~.

The Acctt. Genl. points out that unless the hospital acctt. is permitted, with the sanction of the Govt. of India, to pay the ^{necessary} ~~expended~~ contribution in respect of his foreign service from 1st Feb. to 28 Oct. '97, the period of his employment in the Sandhuwa State will constitute an interruption entailing forfeiture of ~~his~~ past service. The Govt. of India will accordingly be addressed on the subject.

Political Agent will be informed that ~~the hospital acctt.~~ whose services are lent to Native States should be included in the quarterly returns ~~of officers~~ ^{with reference to} submitted ~~under~~ C. O. No. 497 Political d/ 2 October 1897.

Letter No 166 94.3.98
To The Secretary
to the Govt. of India,
Foreign dept.

Sir,
I am directed to submit for the orders of the Govt. of India the following case in which

which the services of a ~~Local~~
~~Local~~ hospital asstt. were irregularly
~~temporarily~~ lent to the Native
State of Sandur in this
Presidency, as a temporary measure.

2 ~~The hospital asstt.~~
~~attached to the State, &c.~~

~~At the beginning of 1897~~
proceeded on sick leave and
V. C. Subramaniya Mudaliyar,
who was at the time a Local
Fund hospital asstt. doing
duty at Bellary, was deputed
on the 1st February to act
for him by the Dt. Medical
& Sanitary officer in
consequence of an urgent
request received from
the Administrator of the
State through the Pol. Agent.

~~He continued to act~~
in the following V. C.
Subramaniya Mudaliyar
continued ~~in the~~ the State
till the 28 October when
arrangements were made for
replacing him by a Govt.
hospital

in the beginning of 1897

Hospital under the proceedings of this Govt

Assistant attached to the State

and

hospital asstt. The Local Fund
hospital asstt. was thus
on foreign service
~~employed by the State from~~
1 February to 28 October 1897.

During this period

~~When he was employed~~, he was
transferred from the Local
Fund to the Govt. establish-
ment on the 13 Aug. 97 under
the proceedings of this Govt.
No. 831 Pub. of 30 June 1897,
(Copy enclosed.)

3 The transfer to the
the services of
the State of V. C. Subra-
maniya Mudaliyar ~~as an officer~~
~~of the Local Fund~~ was
proposed to
art. 809 (C) of

Since he was in the
Local Fund service

the C. P. Regn. Even after
he was brought on the Govt.
establishment (vide pre-
ceding paragraph), his trans-
fer ~~was~~ ^{contrary to} art. 806
(iii), as he had not prior to
the transfer ^{completed} seven
years' qualifying service.
~~Before the services of the~~
~~hospital asstt. were lent~~
~~to the State, his appointment~~
~~in the Local Fund Board~~
was

~~was pensionable under~~
~~the provisions of the Act~~
~~noted in the margin. His~~
~~case therefore falls under~~
~~art. 8/5 of the Regulations. He~~

cannot be exempted from
the payment of contribution
under art. 8/5, as the period
of his employment in the
Sandom State exceeded six
months & the appointment
itself was not created for a
special temporary purpose.

4. ~~It is therefore a fact~~

Unless the hospital agent,
who is in no way respon-
sible for the irregularities
~~which arose~~
~~mentioned~~, is permitted
to pay the required con-
tribution to the British
Govt. in respect of his ser-
vice from 1 Feb. to 28 Oct. '97,
the period of his employment
in the Sandom State will
constitute an interruption
entailing forfeiture of past
service. I am therefore to
request that the Govt. of
India

towards pension. ~~and~~
I am to add that the attention
of the officers concerned in the
irregularities which have
given rise to this reference has
been called to
