To

H. E. the Right Honorable Sir Arthur Havelock,
G.C.M.G., G.C.I.E.

Governor of Madras.

*The humble memorial of Md. Munavar Sahib,
Great Grandson of Their Highnesses the
late Navabs Walajah and Azamjah of the
Carnatic & Grandson-in-law of H. H. The
Second Prince of Arcot.*

MOST RESPECTFULLY SHEWETH,

1. That your Memorialist passed the middle school examination held at Madras in the year 1889 & in 1891, appeared also for the matriculation examination, but having been unsuccessful therein, he discontinued his studies. In February 1895 your Memorialist was exempted by Government from passing the Upper Secondary examination with a view to his admission into the Public Service.

2. That your Memorialist, having failed in his various exertions to get some situation in any of the offices of the state, sent a memorial to your Excellency requesting your Excellency to kindly grant his wishes. But that memorial was transferred to the Chief Secretary to Government for disposal and the Chief Secretary's reply was that there was no vacancy in his office.

3. That your Memorialist's father, the late Abdul Ghani Khan Bahadur, who had not received his education in any school nor had he passed any examination, was made a Deputy Collector for the first time at the age of 38 years, by H. G. the Duke of Buckingham, the then Governor of Madras.

4. That H. H. the late Navab Walajah received from His Majesty George (III) King of England, a letter dated 19th March 1771, in which occurs the following very remarkable passage, as evincing the good disposition of H. M. and the British Government towards Navab Walajah:—

“We received from the hands of our East India Company in July last, your letter, accompanied with your different presents. We shall look upon yourself and your children with pleasure, as it will put us continually in mind of that affection which you have always shown towards us, and which we have no doubt will be hereditary in your offspring, as we are satisfied that *our friendship and protection to you and your posterity will descend through our successors from generation to generation.*”

5. That there was once a time when the ancestors of your Memorialist were in the enjoyment of such a high position that thousands of persons were in their service and that hundreds in number were drawing large amounts of money in the shape of pensions though doing no active service.

Note.

Muhammad Munawar is the son of Abdul Ghani Khan Bahadur who was the great-grandson of Nawab Wallajah by ~~the~~ female descent in the female line ~~side~~. His request for a pedigree certificate was refused by Govt in the marginally noted orders. In G.O. No. 174 Educational, dated 28th Feby, 1895, he was exempted from passing the Upper Secondary Examination in view to his admission to the Public Service. Attention is solicited to the notes and order flagged in G.O. No. 824 Pol, dated 30th November 1896, from which it will be seen that Muhammad Munawar's ~~note~~ has made ^{unsuccessful} ~~move~~ was an attempt to obtain an introductory letter from H.E. the Governor to the Resident at Hyderabad ~~and that the request was not complied with~~. From the Paymaster's letter No. 492, dated 24th Novr 1896, under cover of the last quoted G.O. it would appear that the man is at present about 28 years of age. In connection

with the application for the introductory letter above referred to the petitioner seems to have had a personal interview with the C.S.
