Sir,

With reference to para 3 of Government Order No. 365 dated 31st May 1894, I have the honour to submit for the orders of Government, a Statement showing the claims to pensions of certain relations of Her Highness the late Annaamba Boyi Sahiba, out of her lapsed stipend.

2. Of the 29 individuals included in the Statement, 17 are residents of the Bombay Presidency, and no reliable information is available regarding them, as to what their circumstances are and how far they were dependents on the Rani. Should Government so desire

I shall address the Bombay authorities. The remaining 12 applicants are residents of Tanjore; 9 of them belong to one and the same family and are in well-to-do circumstances; 2 are distant relations; and the remaining three live as one family but their circumstances are not good. I recommend therefore a pension of Rs 5 to each of the three members.

I have written my recommendation in each case in column 7.

I have the honour to be,

Sir,

C. No. 273

SUBJECT.

Claims to Pensions of certain relatives of H. H. the late Mr. Annasamba Bai Sahiba.

HIS EXCELLENCY THE GOVERNOR.
THE HON'BLE SIR HENRY BLISS, K.C.I.E.
THE HON'BLE MR. GROSE, C.I.E.

FOR ORDERS.

In accordance with para 2 of G. O. No. 365. Poll, dated 31st May 1894 [flagged A] the Government Agent, Tanjore, submits a statement showing the claims to pensions of certain relatives of H. H. the late Annasamba Bai Sahiba, one of the Ranis of Tanjore ~~deceased stipend~~.

2. The para of the G. O. in question requires the Govt. Agent on the death of a Tanjore pensioner in receipt of a heritable stipend, to institute enquiries as to whether any descendants or relations of the deceased were supported from the stipend, and to submit to Govt. a report on the subject together with his recommendation

G.O. No. 700 Poll. dated 23rd October 1895, [flagged B], records a letter from the Govt. Agent reporting the death of H. H. on the 30th September 1895.

At the time of her death H. H., who was a Junior Rani, was in receipt of a monthly pension of Rupees 800/-

3. Of the 29 individuals whose names are contained in the ~~Govt. Agent's~~ list, Serial Nos: 1 and 5 to 20, ~~Seventeen individuals in all~~, are residents of the Ratnagiri District of the Bombay Presidency. No reliable information is available concerning these individuals. The Govt. Agent, however, is prepared to address the Bombay Authorities, if Govt. should so desire it.

No. 14 is a maternal Aunt of the late Rani, aged 70 years;
No. 10 is a paternal Aunt of H. H. and is

It is submitted that the Govt. Agent should make enquiries as regards these

aged 65. The rest are more distant relations. None of them has been in receipt of a monthly allowance from the Rani, but all have received occasional presents of from 60 to 100 Rupees per annum. No. 1 now draws a pension of Rs 9-12-0 p.m. No. 13 requests that she may be granted Rs 5/- per mensem. The others apply for monthly allowances.

The Agent does not recommend any of them.

4. Of the others

No. 2. Kasi Bai, is the widow of the Cousin of the Rani. She is 65 years old. Her husband was in receipt of a monthly pension of Rs 15/- and she herself was dependent upon the late Rani for her maintenance. The monthly

pension of Rs 5/- that the
asks for
~~requests~~ is recommended
by the Agent.

5. No. 3 Mangalamba Bai,
aet. 40, is the daughter of
No. 2. and so the daughter
of the cousin of the Rani.
She receives Rs 6/- per mens.
from her deceased hus-
band's family, but the
Govt. Agent nowhere
states that she was in
receipt of any monthly
allowance from the
Rani. He recommends
a pension of Rs 5/-
per mensem.

6. No. 4 grandson of No. 2
and therefore grandson
of the cousin of the
Rani. He is supported
partly by his grand-
mother (i.e. No. 2) and
partly by his father-
in-law who is a brother
of their highnesses
Sr. Tiparambu and
Rama Kumaramma

This may be sanctioned, it is

the limits of compulsory
commutation but the G. A.
might first report whether he
considers it advisable to commute
the amount as the stipendiary
is a female

presents to the value of
Rs 30. p. a. The pension
of Rs 5 may, it is subd,
be sanctioned subject to the
same remarks as in the
case of No. 2 supra
Cmd A.A.

This may, it is subd,

Bai Sahibas. His request-
for Rs 5/- is recommended
by the Agent. Applicant
is a young man, being
only 25 years old.
Nos 2, 3, & 4 live as one family.
Nos 21 to 27 comprise two
sons of the brother of the
Rani [nos. 21 and 25],
the wife mother and
daughter of the former
[no. 21] and the wife
and mother of the latter
[no. 25], ~~obtain similar~~
~~pension.~~

The Govt. Agent reports
that these people would
be the first rank of
relatives whose claims
for pensions etc would
have to be considered
as really deserving if:
they had been left destitute
Their condition is not
destitute, and so they
do not come under the
category of those relatives
of the deceased Rani
who were dependent upon
H. H. for food etc and

were left destitute after the demise of Her Highness.

For the above reason the Govt. Agent does not recommend them and he appears to be right. MA

No. 28. is a distant relative. He is a resident of Sanjore, aged 17; there is nothing to show how far he was dependent on the Rani He is not recommended by the Govt. Agent.

He has a father alive

No. 29 another distant relative is 30 years old and has 5 daughters and a son aged about 7 or 8 years. Their Highnesses Dipamba and Ramakumaramba Bai Sahibas are paying her Rs 4/- per mensem on account of her son. She was in receipt of Rs 4/- per mensem from the late Rani and requests that she may be granted a monthly pension. She is not recommended by

by the Agent, as she is only a distant relative.

In this case it is thought that the fact of the distant relationship to the late Rani should not alone prevail The woman appears to have been a dependant of the Rani and the continuance of the Rs 4. per mensem would it is thought be justifiable

In this case, as in the linked file, the question as to the date from which the pensions which may be now granted are to run. The Rani died in 1895 and if arrears are granted from the date of her death, as is usual in such cases, each person now stipended will receive about 2½ years back pension. The G. A. might be told to deal more
