CURRENT No 484

To

His Excellency the Rt. Honorable,

SIR ARTHUR ELIBANK HAVELOCK G.C.M.G, G.C.I.E.,

Governor of Fort St. George in Council,

MADRAS.

The humble petition of Mohammed Abdul Ali
Khan Bahadur, the Shadi grandson of H. H.
the 1st Titular Nawab of the Carnatic.

MOST HUMBLY AND RESPECTFULLY SHEWETH.

With due deference and profound submission, Your Excellency's petitioner most humbly begs to bring the following few lines of his miserable circumstances and grievances, with a firm hope that Your Excellency may with due consideration peruse his case and will be graciously pleased to show mercy, especially on his part, as is universally done towards the British subjects in miserable state, so that he may be relieved from the frequent disease of palpitation of heart effected from sudden shock and to enable him to respectfully pass his future life with peace and comfort.

2- That Your Excellency's petitioner, after the demise of his father (the late Rasheed-ud-Doula Bhadur, who held equal rank with the late First Prince of Arcot and was in receipt of Rs. 2700 per mensem) finding himself short of sufficient income to protect his rank and dignity married the grand-daughter of the late Auzum un Nissa Begum Sahiba recepiant of Rs. 4000 per mensem and possessive of an immense wealth, whose death took place in the year 1889.

3. That your petitioner on the several promises and in hopes of getting some lakhs of rupees from the said deceased Begum, spent thousands of rupees in the marriage which took place in 1880 and thus lost his fortune and became a debtor, but owing to the death of the said Begum, the promises were not fulfilled. He is in debt for the last 18 years and has liquidated one lakh of rupees towards the same but regrets to state that he is unable to pay Rs. 10,000 the enhanced rate of interests still remaining due.

4. That your petitioner does not like to take the benefit of the Act of Insolvency for the following two reasons:—

(i) That after enduring the troubles for a long period of 18 years and clearing about one lakh of rupees, does not consider it advisable to go for Insolvency for the remaining portions of Interest during such a wretched condition of poverty of your petitioner.

(ii) The petitioner possesses high esteem amongst the nobility of Madras and a special dignity, which will be completely ruined by taking the benefit of the Act, which special affair he cannot but represent to your Excellency as follows:—

That he stands in equal rank by descent with his cousin the last titular Nawab of the Carnatic, as is clearly acknowledged in G. O. dated 3rd March 1833, and has personal acquaintance and friendly communication with their Royal Highnesses and the Princes, Mahrajas, Nobles and Chiefs of this as well as the other Presidencies, the petitioner can produce the correspondence above referred to, if required, and he has on more than one occasion the honor of being the guest of H. H. the Nizam G. C. S. I. and of the Indian Princes of Bengal, and he is glad to say, that he has not had any pecuniary assistance from them, and that on the 14th of June 1895, under the Orders of Lord Wenlock G. C. I. E. Your Excellency's predecessor, your petitioner was favored with an introductory note, noted in the margin, * to the address of H. E. the Viceroy, wherein the particulars of your petitioner's dignity and character is fully endorsed; and your petitioner's claim for the Membership of the Viceregal Legislative Council in behalf of the Mohammedan Community has been favorably recorded by this Government in their Proceedings dated 7 March 1894. Besides the above referred letter Your Petitioner possesses few more favorable letters from your Excellency's predecessor.

GOVERNMENT HOUSE,
14 June 1895.

My dear Babington Smith,

I am desired by His Excellency Lord Wenlock to introduce to you Mahomed Abdul Ali Khan Bahadur brother-in-law to the Prince of Arcot, a shadi son of the late Rasheed-ud-Doula Bahadur brother of the 1st Prince of Arcot and a direct descendant and representative of H. H. Nawab Wallajah. Abdul Ali Khan Bahadur who is in receipt of a Carnatic stipend and bears an excellent character, is anxious to pay his respects to H. E. the Viceroy at a personal interview, during the course of his tour which he proposes to undertake through India.

(Sd). C. F. MACCARTIE,
Prin. Secretary.

over others of his like position, being a direct descendant of H. H. Nawab Wallajah and by not having had resource hitherto to the black mark of availing Insolvency, which dignity he hopes will be of use to himself hereafter in the selection, the Government might hereafter make in the Supreme Legislation. He therefore is reluctant to ruin his fame and prospects by availing the protection of Insolvency simply for his remaining unpaid interests (Vide his pedigree certificate shown on the margin.) *

Paymaster, Carnatic
Stipends Office, Chepauk,
6 July 1895.

This is to certify that Md. Abdul Ali Khan Bahadur is the Shadi son of the late Rashid ud Doula Bahadur who was a son by the 2nd Shadi wife of His late Highness Azim ud Doula Bahadur the 1st Titular Nawab of the Carnatic, who was the Shadi son of Amir-ul-Umra Bahadur who was the 2nd son by the Shadi wife of Nawab Wallaja of the Carnatic.

(Sd). H. S. STEWART,
Paymaster, Carnatic
Stipends, Chepauk.

To

Md. ABDUL ALI KHAN BAHADUR
C/o The Private Secretary to
H. E. the Prime Minister,
Hyderabad, Deccan.

5. Your petitioner's chief motive in submitting the above representations is to secure his dignity which he now possesses to ruin his fame and prospects by availing the protection of Insolvency simply for his remaining unpaid interests (Vide his pedigree certificate shown on the margin.) *

6. The petitioner is hopeful that the generous Government with their usual mercy will be pleased to comply, however, with one of the several requests:—

(a) The petitioner requests the commutation of Rs. 100, out of his monthly stipend of Rs. 304-1-4, and from the commutation money he will be able to settle all his debts and to buy some immoveable property out of the surplus in the name of his children, (the real nephews of the present Sir Prince of Arcot K. C. I. E.) So the rents accruing from the same may afford them a pecuniary assistance, in addition to the small stipends which they would enjoy after your petitioner's death.

(b) That the Government may especially favor him with a Protection Order at least for 3 years during which, period he would be able to clear off his debts and spend his time in peace thereafter.

(c) That the Government may continue on him a small portion from the sum of Rs. 2000 lapsed to Government by the death of the late Azam un Nisa Begum Sahiba, because, the hopes given by the said lady and the promises made by her in writing are the only causes of the petitioner's incurring debts, where upon the death of the said Begum caused the entire destruction of Your Excellency's petitioner.

(d) That the Government may recommend him to H. H. the Nizam to confer on him a suitable post clearly pointing out that such hopes were given to him in writing by H. H.'s previous ministers for the last 12 years.

(e) That the Government may direct the Paymaster ^{of the Carnatic Stipends} not to issue a fresh certificate for the petitioner's stipend for the period of three years except to the person whom the petitioner might authorize after taking such a loan from him as would cover his full debt.

Should unfortunately the Government decline to comply with the petitioner's above requests he however most humbly and sorrowfully solicits as the last favor to transfer his stipend to any Foreign State so that he may escape from the in cumbrances of his creditors without acceding to the benefit of the Act and spend his days in tranquility and to award a certificate of his birth and good character similar to the note granted by his former benefactor H. E. Lord Wenlock, which will be of use to Your Excellency's petitioner on an unexpected and sudden befall of calamity, if any, in the Foreign State,

For which act of kindness and generosity Petitioner shall, as in duty bound ever pray.

Sir,

Herewith returned.

With reference to your endorsement No 1031
dated 2nd May 1898 "Political" on petition current No 484
from Menhammad Abdul Ali Khan Bahadur, I
have the honour to report as follows.

2. Petitioner prays in para 6 of his petition
under report that one of his 5 requests contained in the
sub paras a, b, c, d, & e. may be complied with and in
the event the Government decline to accede to any of his
requests his pension may be transferred to some Native
State with a view to his being safe from his Creditors.

3. Petitioner is the Shadi grandson of His
late Highness Azim-ud-daula Bahadur the 1st Titular
Nawab of the Carnatic and is the brother-in-law
(Sister's husband) to the present Prince of Arcot. As
regards his several requests, none are admissible with
the exception of the one contained in para 6 (a), that is
the commutation of Rs 100 which was continued to
him for his life by G.O. No 369 dated 11th May 1883.
He submitted a similar petition in 1892 which was
reported.

reported upon by Clouet Stewart confidentially vide his letter No 325 dated 13th July 1892, upon which No 588 dated 22nd September 1892 "Political" was passed informing him that none of his prayers could be complied with.

4. The present financial position of the petitioner is more critical one than in 1892, he has writs against his person and property and is confined to his house, though under protection of the High Court. He is now 40 years old and will be entitled to receive a bonus of Rs 12,104 - - - in lieu of his monthly stipend of Rs 100. at the rate of 10.087 years purchase, if he is allowed to commute.

5. Should government be pleased to relieve petitioner from his present embarrassments, I would furnish government with a tabular statement of his liabilities together with the amount each creditor is willing to receive in satisfaction of his full demands.

the debts of ^{Muhammad} Abdul Ali.
The Paymaster in his letter
dated 13th July 1892 reported
that the debts amounted
to about Rs 10,000 and
furnished a list of the
chief creditors. The Pay-
master was thereupon
asked to furnish a complete
schedule of ^{Muz} Abdul Ali's
debts, to interview the
creditors mentioned therein
and to record in writing
what arrangement each
man might be willing to

furnished the required
information which went

show that Abdul Ali
owed Rs 16,184 for which
his creditors were willing
to take Rs 10,900 exclusive
by three creditors who would

whose claims amounted
in the aggregate to Rs 2400.

Government declined to

that any one of five
requests, which correspond
to those lettered (a), (b), (c)

Supra may be granted
to him. He however adds
another request that his
stipend may be transferred
to a foreign state where
he will be free from the
molestation of his creditors.

is the reply of the Paymaster
to whom ^{the petition} it was referred
for report. The Paymaster
says that none of the
requests except (a) is
admissible, that the

critical than in 1892

mutation of the non-
continuable Rs 100 is
therefore advisable, and
that he will, if so directed,

he was involved in

recommended by the
Paymaster, he was asked

was found that it
would not suffice to

attention is solicited to G.O.
No. 432 Pol. of 29th June 1888

Muhammad Abd-ul Ali's
claim on the stipend of Azam-

based on his relationship to
the Begam by marriage, his
wife Ammat-ur-rab Fatima
un-nisa Begam being her
granddaughter. Ammat-ur-rab
Fatima-un-nisa Begam was,
it will be seen from para 3 of
the foregoing order, granted Rs 75
on the Begam's death
per ~~month~~ ^{month}. The case of the
Begam's stipend was carefully
considered by Govt. at the time
and there appears to be no
reason to re-open this question,
especially as the claims of

25
Muhammad Abd. ul. Ali
was summarily rejected in
1881 G.O. No 433 & 445 of
June and 3^d July 1888)
and in 1892. His petition
was summarily set
aside [G.O. No 422 Pt 76.7.92].
He requests (b) & (c) and (f)
in the petition of M.C. No 484
are merely devices to get of
the petitioner to free himself
from his creditors. As to (b)
an appt. in Hyderabad, this
was considered in 1892 and
rejected. The only means of
helping the petitioner will
be found in his first request.
The commutation of pension The
whole or portion of his now
continuable allowance of
Rs 100. This was attempted
on the last occasion with
unsatisfactory results. The
Paymaster might, however,
interview all the creditors of
Muhammad Abd. ul. Ali and
ascertain if they are likely to
come to terms. The commutation

If the Rs 100 would bring in at
Rs 12,100 (Muhammad Abd. ul. Ali's age is placed at 40) on the
probable payments would

made by the Paymaster. It is
doubtful however whether the
creditors will come to terms
on this amount, as when
Rs 13,000 odd was available
in 1892 no definite settlement
could be made (see note flagged
in G.O. 558 Pt 7 22.9.92).
In the six years which have
elapsed since then the liabilities
of Muhammad Abd. ul. Ali must have increased
considerably; but on the other
hand the patience of his creditors
has been tried.
