C PETITION RULES

FOR ORDERS

Paragraphs XIII (1) and XIV of the C Petition rules provide that every petition from an inhabitant of a Native State under the political control of this Govt., or from a Kandyan pensioner, must be submitted to Govt. through the Political Officer of the State or the Collector of the district in which the petitioner resides. Paragraph X provides that in ordinary case petitioners should submit their petitions through the head of the department to which they belong or belonged.

There is no rule as regards pensioners other than Kandyan pensioners, and it is submitted that Carnatic stipendiaries should submit their petitions through the Paymaster, Carnatic Stipends, and other Political pensioners through the Collector of the dis- in which they reside. Such a course, if prescribed, would necessary correspondence number of these cases to "refer" th in the s

concerned. There is further the danger of Govt. passing orders ~~on a Carnatic~~ on a Carnatic petition on information before it alone and in ignorance of facts of which the Paymaster, who is in closer contact with these petitioners, may be aware.

A draft is submitted for approval.
