A note should be put up stating views on the point whether the volumes should be sent on as completed. All this will mean a lot of trouble. ~~Have you~~ What proportion of the work ~~does~~ do the completed volumes represent?

As sending on the volumes as completed will entail trouble I have redrafted & put up a note. The H.O. office can treat these payments as 'advances recoverable' & recover at the end.

FOR ORDERS.

(A)

Chief att

The note for orders attached to G. O. No 429 Poll, dy 28-6-98, shows the action taken by this Government, at the instance of the Government of India, in regard to the collection, examination and translation of the Dutch records of this Presidency for the information of the Netherlands Government. It further deals with the request of that Government to be furnished with Copies of certain volumes of these records and the decision come to and embodied in the order quoted was to hand over the work of Copying to the Revd A. H. Krook

Kroot in the absence of the Revd Heyligers who had originally agreed to undertake the work, on the same terms as the latter had consented to do. These terms were that payment be made at 8 annas a page, irrespective of the contents of the page, and after completion of each volume; that the whole work be completed within the period of one year; that the paper for copying be supplied from the Chief Secretariat, which would also undertake the despatch of the copies for the Netherlands Government.

2. The Revd Kroot has just completed copying two volumes involving 269 pages or a little over one eighth of the work (about 2029 pages) to be done. Under the terms agreed to he has to be paid at once; but it is a question for orders whether the volumes

Vide G.O. No. 859 Pol., dated 15th Dec. 1896.

I do not see why the volumes should be sent on to the Netherlands Government as they are copied or whether it would be preferable to wait till the whole eight volumes given for copying have been completed. The latter would appear to be the more convenient course, and it is submitted that it may be adopted. In the meantime the Accountant General may be authorised to pay the amount of the bill and to arrange for the recovery of the charge ~~on completion of the whole work~~ from the Netherlands Government on completion of the whole work. Draft order accordingly is submitted.
