CURRENT NO. 7178

To

The Chief Secretary
to the Govt. of Fort St. George

Coty

The humble petition of Bakshobi
Begum own daughter of the late Mirza
Budan Baig a Political Pensioner
residing in Alipura
Vellore

CHIEF SECRETARIAT
19 AUG 1898
GOVERNMENT OF MADRAS

Most Respectfully sheweth

That petitioner is the daughter by the married wife of Mirza Budan Baig

That besides there are one daughter and one son by a second wife and one daughter and one son by a third

That after the demise of the said Mirza Budan Baig your Petitioner and the remaining surviving sons and daughters put forth their claims for the enjoyment of the pension which is continuable in accordance with the notice circulated among the pensioners dated Vellore Political Office 23rd Febr. 1890

That the subject of their respectives claims was inquired into by the Tahsildar of Vellore and was represented to Government.

That Petitioner is now given to understand that the benign Government have sanctioned the grant to two sons and two daughters of whom one has commuted her pension through her mother into gratuity and has

G.O. No. 491 Polit 16.7.98

has excluded petitioner from participating a share in her father's pension althoughher claims are prefential to those of the rival claimants she being the daughter of his married wife.

That Petitioner attributes her exclusion by Government on two-fold grounds as stated below.

(a) The existance of a Will alleged to have been written by his daughters father

(b) The presumption that Petitioner will enjoy a portion of the pension after the demise of her husband

That if the above grounds, as has been presumed by the Petitioner, have induced Government to exclude her, she submits that they are not sufficient to come to such a conclusion in as much as no Will is applicable to the grant of pension and the presumption that she would enjoy a pension from her hasband's pension after his death will not stand if she predeceased him.

That Petitioner has to support a very large family and the scanty pension her husband draws is quite inadequate to meet the wants. The pecuniary assistance rendered by her deceased father dureng his lifetime as was proved by her during the inquiry rendered her every facility to manage her domestic affairs.

Further Petitioner begs to add that Ameena Khanam who has been granted a share though her name was neither mentioned in the alleged Will nor she preferred a claim for a share, deposed yesterday before the Vellore Taluk Gumashta that the pension granted, need not be continued to her but on the other hand it may be given over to her brother Nisar Ali Baig. Now your honour may judge how proud and arrogant she must be to waive her claims in favour of her brother. On the contrary Petitioner put forth her claims for a share and requested to continue the grant but no concession was granted to her.

Under the circumstances represented above Petitioner begs to submit that her deplorable case be inquired into by by transferring this petition to the Collector of North Arcot and if the several statements contained herein be proved then to accord sanction for the continuance in her name of the portion sanctioned in the name of Ameena Khanam and which she desired to transfer to her brother or from the portion resumed by Government.

For which act of kindness Petitioner as in duty bound shall ever pray

Application for pension from Bakshi Begam daughter of the late Mirza Budan Beg.

H

Attention is solicited to para 10 of the office note in G.O.N= 491 Poll. of 16.7.98 where the petitioner's claims to a continuance to her of her father's stipend were considered. It was there decided that as she was married to a stipendiary whose pension is continuable her claim should be set-aside.

2. In the present petition the petitioner contends

(1) that she is the only child born to her father by his marria

So in the petition— Petitioner means "Shadi" apparently

wife, the others being the children of his second and third wives.

2) She attributes her exclusion from participation in the pension to the existence of an alleged will by her father setting aside her claims and to the fact that she is married to a man who holds a continuable stipend. She urges that the will is not applicable to the case of pensions and that if she predeceases her husband she will not ~~be entitled to~~ enjoy any portion of his stipend. The only point worthy of consideration advanced by the petitioner is the first but it is unlikely that the collector would have omitted all reference to it in his report, if such were really the case

Vide last sentence of the office Note

The collector [redacted] did not say whether the children are Nikahi or Shadi and G.O. No. 491 Pol. dt 16.7.91 was passed on the assumption that all the children were of one class. [redacted]. But as Bakshi Begam was excluded from participation not on the ground of her birth but because in the opinion of Govt. she was did not stand in need of any such assistance, there is no need it is submitted to reopen the case and the following order is accordingly

...bmitted for approval.
