Approving the Board's proposal to designate as — the whole-time servants called "lamp-lighters" in various districts, so as to bring them on the pensionable establishment, and stating that the Board's presumption that G.O., No. 489, Pension, dated 3rd July 1897, is not intended to have retrospective effect, so as to debar from pensionary privileges individuals who have in fact been entertained and employed as whole-time servants, though falling in the category of part-time servants, is correct.
