The humble petition of Sawobhagiavathi Vizia Chechramba Bozeo
Animani of Mangalavilas, Palace
Tanjore

Honored Sir,

I beg respectfully to submit as follows—

Petn flagged N in 80 600 of 2-9-93

1. On the 31st July 1893, my father, one of the natural sons of the late Rajah of Tanjore petitioned the Government of Madras for the discontinuance of my mother Kamakshi Bozé's pension, Rs 17-8-0, on account of her immoral conduct and the Government declined, I think, to interfere in the matter as pensions granted on political considerations are not to be discontinued on any account.

2. My mother however having subsequently been deprived of her pension for her conduct referred to above, my father submitted a petition to your honor, while your honor was in the capacity of a Political Agent at Tanjore, for the transfer of

of my mothers pension to me. Although your honor was in favour of the transfer solicited but Still the Government of Madras unfortunately for me had not the pleasure to accord their Sanction to the Same.

3. In a political point of view my mother's pencion which is merely a maintenance allowance should not, I beg to be permitted to Say, have been Stopped. It however having been Stopped, I Submit, that the amount of pension withheld I should have been favoured with.

4. I am one of the natural grand daughters of the late Rajah. I am in coverture. Her Majesty's Government paid for my marriage Expenses. My husband though of a good descent has neither pencion nor Employment. And I am in great distress.

5. I therefore humbly request your honor will be gracious enough to order the grant of the arrears of pension due to my late mother from 1st may 1895, the date when her pension was discontinued, up to 15th may 1897, the date of her death.

For which act of kindness I, as in duty bound, shall ever pray for your honor's long life and prosperity.

I beg leave to be,
Honored Sir,
your most obedient Servant.

from 1st May 1895, the date from which it was stopped to 15th May 1897, the date of Kamakshi Boi's death, at Rs 17½ a month.

In 1896, the petitioner was recommend-ed to Government for a life pension of Rs 15 a month, vide Government Agent's letter No. 35 dated 4th May 1896; but the Govern-ment declined to sanction it (G.O No. 348 3.6.96) B

C. No. 1460—

SUBJECT.

Request of S Vijia Chakkram-ba Boi Ammal of Tanjore for arrears of pension stopped from her deceased mother on acc of the latter's immorality—

FOR ORDERS.

With reference to this petition, forwarded through the Govt Agent, Tanjore, with his recommendation, attention is solicited to the notes put up on a former petition from the father of the same person, through the same Agency & with the same recommendation. On that petition Govt ordered that "in the circumstances under which the pension has been stopped Govt cannot accede to the request &c.

2 The request is repeated on the ground that the petitioner's Mother is now dead & the request is that she may be "granted the arrears of pension" "due" to her Mother from 1st May 95 wh it was stopped by Govt on acc of

immoral conduct up to 15th May 1897 the date of her death. The Govt Agent @ Sanpore supports the request & recommends that as an act of grace the "arrears of pension" may be paid.

3 It is subm^d that for all the purposes of the pension the stipendiary died when she forfeited the pension to Govt & that the balance referred to are neither "arrears" nor "due", that the daughter appears to be in comfortable circumstances calling for no act of grace on the part of Govt & that there is no ground whatever for a re-consideration of G0 No 348 Pol d/3-6-96.

A draft order is accordingly put up for approval – Vide docket of Current.

26/11/97.

4. The Fin. Agent considers that the position has changed since the petitioner's mother is now dead (para 3 of the current); but it is subm^d that this is not the case. The grounds for rejecting the

similar appeal in 1896 (G0. No 348 Pol. & 3d. June 1896) viz (1) that the pension had been forfeited through the mother's misconduct & (2) that the daughter should not be enabled to profit by that misconduct. The pension was the mother's & was a life grant.
