G.O., No. 3, 2nd January 1899.

JANUARY.

Reduction in the special allowance granted to Muhammad Daud Khan.

Recording, with reference to G.O., No. 829, Political, dated the 3rd December 1898, letter from the Political Agent, Kurnool, suggesting that a reduction of Rs. 75 may be made from the monthly allowance of Rs. 300 granted to Muhammad Dáúd Khán for the education of his sons in consequence of his eldest son having discontinued his studies and become an earning member.

GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

READ—the following paper:—

From MUHAMMAD RAZA KHAN, Esq., Political Agent and Collector of Kurnool, to the Chief Secretary to Government, dated Kurnool, 4th December 1898, No. 6-P.

In G.O., No. 350, dated 8th July 1881, a monthly allowance of Rs. 300 was added to the pension (Rs. 400) of Dáúd Khán Sahib, Political pensioner, Kurnool, solely for the education of his three sons. Now that his eldest son, Rafí-ul-mulk Sahib Bahádur, has not only discontinued his studies, but has become an earning member, having been appointed as a Probationary Deputy Collector, I beg to suggest the desirability of making a proportionate reduction in the additional allowance above referred to. I submit, in this connection, that a fourth son has been born to Dáúd Khán since this grant of the above allowance and he is being educated at the Aligarh College. The reduction to be made on account of the provision made for Rafí-ul-mulk Sahib Bahádur by his having been appointed to a suitable post may therefore be fixed at Rs. 75, which is a fourth of the special monthly allowance of Rs. 300.

POLITICAL DEPARTMENT.

NOTES CONNECTED WITH G.O., MIS. No. 3, POLITICAL,
DATED 2ND JANUARY 1899.

From the Political Agent, Kurnool, No. 6-P., dated the 4th December 1898.

For the Chief Secretary—

Printed with G.O., No. 829, Political, dated 3rd December 1898, will be found a letter from the Political Agent, Kurnool, dated October 2nd, 1898, in which is brought before Government for decision the question of reducing the special allowance (Rs. 300) made to Muhammad Dáúd Khán for the education of three sons on the ground that one of those sons was self-supporting (or about to become so) and another unable to continue his studies. It will be seen from the order on that letter that Government reduced the allowance from Rs. 300 to Rs. 200 *per mensem* on the ground that there were now two sons undergoing education, a fourth having been added to the family after the original allowance was made. This order was despatched to the Political Agent on 8th December * and a copy was sent to India for confirmation of the reduction therein made.

* After his letter, which it crossed, was written.
(Intld.) C.M.S.

2. The present current is dated 4th instant and states that, in the opinion of the Political Agent, Rs. 75 may be deducted on account of the eldest son having become self-supporting, which implies that, now the second son's education is stopped, the present allowance of Rs. 200 might be *still further reduced* and yet be a very liberal allowance for all the requirements of the two younger sons. From His Excellency's note filed with the Government Order above referred to, it will be seen that the Political Agent gave His Excellency to understand that Rs. 200 *per mensem* for two sons' education "is liberal—more than covering all ordinary cost."

3. It is submitted that the Political Agent may be referred to G.O., No. 829, Political, dated 3rd December 1898, with the remark that, should he consider later again on the subject.

Draft order is submitted for approval.

Note by His Excellency the Governor.

I do not think we need suggest any further reduction. I am against ever making two bites of a cherry. And, I think, all possible generosity and consideration should be shown to these poor survivors of former grandeur.

an monthly allowance of Rs 300 was added

that his eldest son Rafi-ul-Mulla Sahib

special allowance made to Mr.
Daud Khan for the education of

seen from the order on that letter
that Govt reduced the allowance
from Rs 300/- to Rs 200/- per men
sem on the ground that there were
now two sons undergoing education,
a fourth having been added to
the family after the original -

allowance was made. This order was despatched to the PA on 8th Dec: 94 + after his letter, which it crossed, was written copy was sent to India for confirmation of the reduction therein made.

The present Current is dated 24th inst. & states that in the opinion of the PA Rs 75 may be deducted on acc of the eldest son's having become self-supporting which implies that now the second son's education is stopped the present allowance of Rs 200⁰⁰ might be still further reduced & yet be a very liberal allowance for the expenses of the 2 younger sons.

From H²'s note at XXX filed with the GO above referred to it will be seen that the PA gave H² to understand that Rs 200⁰⁰ per mensem for two sons' education "is liberal - more than covering all ordinary cost"

3 It is subm^d that the PA may be referred to GO No 829 Pol d/ 3/12/98 with the remark that should he consider, later, that the present allowance shd be further reduced he may address GOvt again on the subject. H²'s order is subm^d for approval.

It is doubtful whether the P. A. will be able to do so before receiving the order of GOvt.

Very much so. 12/12/98.

I do not think we need suggest any further reduction. You say about making two bits of a cherry. I think, all possible generosity and consideration should be shown to these survivors of former grandeur.
