SUBJECT.

Requisitioning for 7000 doses

Stating that

of the Plague Serum for

the Travancore Durbar

may be supplied in instalments

~~as suggested by the Hyderabad~~

~~the Govt of Bombay~~ ———

Orders -

Bombay asked (vide letter filed with GO 886 Pol 16.12.98 D) for an intimation as to the number of doses to be sent in each consignment, the number of consignments, & the interval between each despatch.

The Durbar's reply that "1000 doses of the plague serum will suffice for the present." Bombay sent 1000 doses some weeks ago but it is not clear whether this has been rec'd, or whether an additional 1000 doses is now wanted, or in what instalments the Durbar proposes to take the 7000 doses which they have ordered. The present cancellation might be taken to imply a counteraction of the order for 7000 doses & a desire to order more moderately in future only as required.

As the serum cannot always be supplied in large quantities on a telegram the following is subm^d for approval -
