From

T. HESKETH BIGGS ESQ.

ACCOUNTANT-GENERAL to the

GOVERNMENT OF MADRAS,

To

The Chief Secretary to Government,

~~Financial~~ Political Department.

Sir,

With reference to para 2 of your G.O. No. 99, dated the 30th ~~of~~ Ultimo, requesting me to report how the cost of Survey of the lands of the Banganapalli State should be recovered, and if the recovery can by any means be spread over a period of more than one year, I have the honour to say that if the Survey is to be conducted under chapter III of Madras Act IV of 1897, any postponement of the recovery of the cost of the Survey after the Survey has been completed would be equivalent to the grant of a loan and should be made subject to the same conditions as the grant of a loan. Subject to the above remark and subject to budget provision being made, there is no account objection to the recovery being spread over more than one year.

Any payments made by the proprietor towards the cost of Survey before it is completed will be adjusted by deduction from the charges under "3 Land Revenue Survey and Settlement, Survey charges" the expenditure by the Survey Department being charged to that head. When the Survey is completed the ...ted balance will be transferred to the debit of Surv...

advances. Interest on the balance, if Government Order that interest be charged, would be periodically calculated and added to the outstanding balance. If however the cost of Survey is not recovered as an arrear of land revenue or completion of the Survey as directed in section 19, it will have to be charged to "loans to Land holders &c." and Government of India will have to sanction the arrangement-article 116 Civil Account Code.

In this connection I would request that the Orders sanctioning the Survey of private estates and estates under the Court of Wards may in all cases be communicated to this Office.

I have the honour to be,

Sir,

Your most obedient servant.

Accountant-General.
