Political establishment at Kurnool.

Sanctioning, with remarks, the proposals of the Political Agent, Kurnool, to reduce the strength of the Political establishment at Kurnool and to appoint a pensionable clerk for the combined duties of Political Munshi and Khandan Superintendent.

GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

READ—again the following papers:—

G.O., No. 1194, Financial, dated 18th November 1886.

ABSTRACT.—Deciding that certain reductions in the cost of the present establishments in the several Political offices concerned be carried out with effect from the 1st April 1887.

G.O., No. 3, Financial, dated 5th January 1887.

ABSTRACT.—Sanctioning the proposals of the Collector to reduce the establishment connected with the Superintendent of Khandans, Kurnool, by which a further saving of Rs. 30-7-6 will be effected.

G.O., No. 968, Financial, dated 5th September 1887.

ABSTRACT.—Sanctioning a change in the sanctioned number of peons to guard the palace buildings of the late Nawab of Kurnool.

G.O., No. 662, Political, dated 4th November 1891.

Read—the following papers:—

Memorandum No. 160, Political, dated 7th October 1891.

With reference to G.O., No. 968, dated 5th September 1887, and previous orders, the Collector of Kurnool is requested to be so good as to furnish a report on the subject of the establishment which acts as a guard. This establishment appears to have been originally a *sibbandi* corps, attached to the palace, which was left in charge of the *zenana* in 1841. At that time there were some forty women, some with children, in the *zenana*, besides the legitimate wives of the ex-Nawab. The Collector should state how many of the original occupants of the palace still live in it, how many others have quarters there, and what duties are, respectively, performed by the gumastah, duffadar, male peons, and female peon and whether two peons on, say, Rs. 6 each cannot do all that is necessary.

2. Some information regarding the "palace" should at the same time be afforded.

3. The Collector is requested to make temporary arrangements only, in the event of a vacancy occurring in the office of "treasurer", and to take the orders of Government with reference to G.O., No. 1194, Financial, dated 18th November 1886. Now that definite orders have been passed by Government in regard to each Kurnool pension, the work which devolved on the treasurer after the abolition of the appointment of the Superintendent of the "Khandan" will be greatly lightened.

(Signed) J. F. PRICE,
Chief Secretary.

To the Collector of Kurnool.

From C. KOUGH, Esq., Collector of Kurnool, to the Chief Secretary to Government, dated 22nd October 1891, No. 5206.

I have the honour to furnish the report called for in official memorandum No. 160 of 7th instant (Political).

2. Of the original occupants, five are still living, viz., Sháh Alam Khatun, Munawar Khatun, Nizám-un-nisá Bégam, Ráhat Afza Inayat Khatun.

Besides these the wives of Muhammad Dáúd Khán Bahadur, Khájá Khán Bahadur and Muhammad Abbás Alí Khán Bahadur have also their quarters in the palace, making in all eleven individuals.

3. The duties of the various employés are detailed as follows:—

Gumastah.—Maintains registers of leave applications, departures and returns from leave, commutations of pensions, death reports. Prepares acquittance rolls and pension pay bills and attends for disbursement of pensions with the treasurer.

Duffadar.—Delivers orders, reports departures and returns, assists the treasurer in distributing pensions and does miscellaneous office work.

Male peons.—Guard gates of palace where above-mentioned ladies reside, accompany treasurer to carry money for distribution of pensions throughout the Fort and Pettah.

Female peon.—Makes occasional calls on the ladies to ascertain their welfare and requirements, and on the last day of every month visits all gosha pensioners and furnish life certificates; accompany treasurer and disburse into said ladies' hands, getting their seals affixed in token of receipt of stipends.

4. Excluding the pensioners resident in Hyderabad, there are now 67 on the rolls as against 100 in 1887, and the aggregate of pension money dealt with is Rs. 3,737 as against Rs. 4,246. It does not thus appear that there is as yet any very material lightening of the work and responsibility of the treasurer and I would deprecate any reduction in the subordinate establishment at present. There must be a relief of male peons and there are only four employed, two for day and two for night duty; it is difficult to see how the female could be dispensed with and the gumastah's assistance is very necessary.

5. *State of the Palace*.—The greater portion is utterly dilapidated. The habitable part is occupied partly by Dáúd Khán Bahadur and his children and partly by one of the concubines of the late Nawab by name Rahab Afza and the other ladies mentioned in paragraph 2.

6. Instructions as to the course to be followed should a vacancy occur in the office of treasurer of Kurnool Collectorate have been duly noted.

Order—No. 662, Political, dated 4th November 1891.

Recorded.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

READ—also the following papers:—

From MUHAMMAD RAZA KHAN, Esq., Collector of Kurnool, to the Chief Secretary to Government, dated 3rd November 1898, No. 180, Political.

My Huzur treasurer Sultán Muhammad Sáhib, Khán Sáhib, who is also Khandan Superintendent and Political Munshi, retires from the 5th instant and as Government

in paragraph 3 of Memorandum No. 160, Political, dated 7th October 1891, directed that only temporary arrangements should be made in the event of a vacancy occurring in the office of treasurer and orders obtained, I have the honour to submit my proposals for filling up the posts of Khandan Superintendent and Political Munshi held by him.

2. The present Khandan establishment sanctioned in G.O., No. 1194, Financial, dated 18th November 1886, and G.O., No. 3, Financial, dated 5th January 1887, is as follows:—

	RS.	A.	P.
One superintendent	30	0	0
One gumastah	12	0	0
One duffadar	4	8	0
Four male peons at Rs. 3 each	12	0	0
One female peon	3	0	0
Total	61	8	0

This establishment was sanctioned at a time when the number of Political pensioners was 106 and the amount paid to them was Rs. 4,246. The number has since been reduced by casualties to 52 and the monthly allowance to Rs. 2,911. Even of this number 8 pensioners draw their pension, aggregating Rs. 1,195, direct from the treasury on vakalatnamahs. The total payments to be made now by the Khandan Superintendent are therefore Rs. 1,716 per month to 42 pensioners. For this work, the present establishment is, I submit, too large and I therefore propose the following arrangements by which a monthly savings of Rs. 38 will be effected:—

	RS.	A.	P.
One Khandan Superintendent	15	0	0
One male peon	5	0	0
One female peon	3	8	0
Total	23	8	0

The allowance now proposed for the Khandan Superintendent will be paid to a clerk on the permanent establishment, who will also be able to do the duties of a gumastah referred to in paragraph 3 of my letter, No. 5206, dated 22nd October 1891, to Government.

3. The peons were employed to guard palace gates, but as the palace has been deserted except the portion occupied by Dáúd Khán Sáhib, their services are no longer required. For delivering orders, reporting departures and returns and for assisting Khandan Superintendent in distributing pension and doing miscellaneous work, I have made a provision of Rs. 5 to secure the services of an efficient man instead of Rs. 4 now paid to the duffadar. The female peon is also necessary as her duties are much the same as those referred to in the letter quoted above. The allowance of Rs. 3 now paid to her is rather small and I therefore propose to give her Rs. 3½ per mensem.

4. Regarding the Political Munshi's allowance, the Government in G.O., Mis. No. 76, dated 26th January 1883, declared that it was a mere personal allowance granted to Sultán Muhammad Sáhib, Khán Sáhib. The duties of the Political Munshi have since grown far more onerous and responsible and cannot be efficiently discharged by a clerk on the regular establishment in addition to his own duties as found by my experience. I propose to employ a full-timed clerk for this important work and to pay him Rs. 35 per month so that the services of a respectable Muhammadan graduate or an undergraduate may be secured through the Director of Public Instruction.

If my proposals are approved there will still be a saving of Rs. 23 per mensem to Government.

5. The necessary proposition statement is enclosed.

The favour of very early orders is solicited.

From MUHAMMAD RAZA KHAN, Esq., Political Agent, Kurnool, to the Chief Secretary to Government, dated 11th December 1898, No. 193, Political.

Adverting to your memorandum No. 2737, dated 6th December 1898, I have the honour to state that the full-time clerk proposed by me may be entrusted with the duties of Khandan Superintendent as well as those of Political Munshi; but I respectfully suggest that the pay of the clerk may be raised from Rs. 35 to 40 and that the post may be declared *pensionable*, in view that the services of an efficient and trustworthy man may easily be secured.

2. I beg to submit that the appointments of Special Agent's clerk (for Pondicherry) in the South Arcot Collector's office and Political clerk (for Pudukkóttai) in the Trichinopoly Collector's office are pensionable.

3. A revised proposition statement in duplicate is herewith submitted.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 11th January 1899, No. 89.

With reference to paragraph 2 of your No. 2737, dated the 6th of December 1898, I have the honour to state that Rs. 31-8-0 being the monthly cost of the Davide establishment at Kurnool is debited to "27. Territorial and Political Pensions" under G.O., No. 3, Financial, dated 5th January 1887, and paragraph 7 (iv) of G.O., No. 1336, Financial, dated 22nd December 1887. The establishment is included in the list of Political pensions of the Madras Presidency (*vide* page 47 of the quinquennial list submitted from this office on 28th March 1894).

2. The sum of Rs. 30 (*plus* Rs. 20 personal allowance) paid to the Huzur treasurer in respect of the duties of the Khandan Superintendent is charged to "25. Political" under Madras G.O., No. 1194, Financial, dated 18th November 1886.

3. The proposition statement will be verified and returned on receipt of the duplicate called for from the Collector of Kurnool.

From the Accountant-General, dated 23rd January 1899, No. A.D.S./222-E.

ORDER—No. 186, Political, dated 6th March 1899.

The Government sanctions the proposals of the Political Agent to reduce the strength of the Political establishment at Kurnool and to appoint a pensionable clerk for the duties of Political Munshi and Khandan Superintendent.

2. The establishment will now stand as follows:—

	RS.	A.	P.
One Political Munshi and Khandan Superintendent	40	0	0
One male peon	5	0	0
One female peon	3	8	0
Total	48	8	0

3. The proposition statements and the question of the future debit of the cost of this establishment will be dealt with in the Financial Department.

Political Dept
C No 1425.-

With reference to certain suggestions made by the Finance Committee regarding the possibility of effecting savings in Political office establishments this Govt, in its order No. 1194^{Mis} dated 18-11-86, abolished the post of Supdt. of Khandans at Kurnool ordering that his work be added to that of Huzur Treasury with an increase of Rs. 30 to compensate therefor ^{that officer}

Printed in G.O. No 3001 dated 24/5/187

2. Under date 15th Dec. 86 the Pol. Agent proposed certain changes in the subordinate staff connected with the abolished office of Supdt. of Khandans by which a still further reduction was made in expenses. These changes left the charges under Khandan Establishment as follows:-

Allowance to Huzur Treasurer Rs.	
for performing duties of Supt.	30-0-0
1 Gumastah	12-0-0
1 Duffadar	4-8-0
3 Male peons at Rs. 4	12-0-0
1 Female peon	3-0-0
Total	61-8-0

3. In O.M. No. 160 d/ 7-10-91 the Collr. of Kurnool was requested to furnish information on the subject of the above establishment & in para 3 ^{him} of ~~him~~ was instructed, in the event of a vacancy occurring in the office of "Treasurer", to take the orders of Govt. on the ground that the extra work

work which justified the allowance of Rs.30 on a/c of Supt.'s duties was so much lightened as to make it questionable whether it should be continued. The Collector in his reply recommended no change in the subordinate establishment at that time *and the papers were "Recorded"*

Collr's reply attached to Om No 160 dt 7.10.91 filed A

4. The Collr., however, in the letter forming the present current reports, in accordance with para 3 of ~~the Memo~~ referred to above, that a vacancy occurred in the office of Treasurer from the 5th instant by the retirement of Sultan ^{Muhammad} Saheb, Khan Saheb, and in doing so, makes certain proposals for filling the posts of Khandan Supt. and Pol^r Munshi. The Collr. considers that the establishment at present sanctioned, viz. Rs.61-8-0 as detailed in para 2 supra, is much larger than is necessary in as much as the payments now to be made

monthly by the "Superintendent" only amount to Rs.1716 per month to ⁴² pensioners. He proposes, therefore, to substitute the following establishment for that now ~~in~~ existence.

(as compared with Rs 4246 to 106 pensioners when the present establishment was sanctioned).

1 Khandan Supt.	Rs.15-0-0
1 Male peon	5-0-0
1 Female peon	3-8-0
Total	23-8-0

It is proposed to allow a clerk on the Permanent Establishment to do the duties and draw the pay of Khandan Supt. in addition to his own, these duties to include those of the "Gumastah" on Rs.12 sanctioned in the old establishment. In place of the Duffadar hitherto entertained

entertained on Rs.4-8-0 it is proposed to employ an efficient male peon to do the work of the Duffadar and generally assist the Supt. in distribution of pensions &c. The female peon's pay ~~will~~ be raised from Rs.3 to Rs.3½ as the Collector thinks the former amount rather small.

With regard to the other peons who were engaged to guard the palace gates, the Collector reports that, with the exception of the portion occupied by Khan, ~~the~~ the palace is deserted and ^{that} the guards ^{are} no longer necessary.

5. In para. 4 of his letter the Collector adverts to the subject of the allowance of Rs.30 hitherto paid to the retiring Treasurer as "Munshi's allowance" and calls attention to the fact of its being "a mere personal allowance". This is quite correct the allowance having been given to Sultan ^{Muhammad} Sahib on his own petition therefor very strongly endorsed by the Collector in his No.1, dated 4th January 1883 and as a recognition by Govt. of Sultan ^{Muhammad's} services as Munshi and confidential clerk for 17 years without receiving extra pay therefor. It was sanctioned in G.O. No.76, Mis, dated 26th January 1883.

The Collector now, however, states that he has ^{experience} of Political Munshi have since grown far more onerous and responsible and cannot be efficiently

"discharged by the clerk on the regular establishment in addition to his own duties." It is proposed, therefore, to secure a Muhammadan graduate or undergraduate, through the Director of Public Instruction, on a salary of Rs. 35 per month for this post. The Collector states that if this appointment is sanctioned there will still be a saving of Rs. 23-0-0 per month.

6. It may be pointed out, ^{however} ~~on~~, that, strictly speaking, the saving will only be Rs. 3 per month if the new appointment is sanctioned inasmuch as the Rs. 20 was ~~intended~~ a personal allowance and in no sense to be regarded as a regular establishment charge or continuable to a successor. Indeed, the correspondence seems to point to its having been given more for past long services than for work then in progress.

At the same time, however, the Collector contends that the increase in the work required from a Munshi & has grown sufficiently to demand such a man as he proposes to appoint. If the necessity is conceded then the pay may, it is submitted, be considered reasonable for a cultured Muhammadan.

But considering that for more than 17 years this work was accomplished by a member of the Collector's Establishment voluntarily & ^{even} after that long period (1883), when the Munshi work was reported to have greatly increased, it was not considered

entertained

that the personal allowance then made need be regarded as continuous, the sudden provision of such a salary as Rs 35 for the post might, it is submitted, appear over-liberal. It may, therefore, be considered whether the proposed Political Munshi on Rs 35/- could not also do the ^{now} comparative light duties falling to a "Khandaan Supt" for which Rs 15 is provided by the Collector & proposed to be given to a clerk on the permanent establishment for doing the work in addition to his own. *X* If this ~~new~~ plan is followed the remaining Rs 20 of the Munshi's proposed salary would, it is submitted, be justified by the Collector's representations in para 4 of his letter (the ~~same~~ coupled with the value to the Coll^r of such a man's services in view

C.No.1544.

The Political Agent, in reply to Memo No. 2757, d/6-12-33 states that the full-time clerk proposed by him may be entrusted with the duties of Khandan Supdt. as well as those of Political Munshi, but suggests that if this is done the pay may be raised from Rs. 35/- to Rs. 40/- per mensem and the post declared pensionable "in order that the services of an efficient and trustworthy man may be secured". In support of the proposal to make the post pensionable the Political Agent quotes the Special Agent's clerk in South Arcot Collector's office and the Political clerk in Trichinopoly Collector's office both of whom are pensionable. Revised proposition statement in duplicate is submitted by Political Agent in which the extra pay proposed is shown. The original proposition statement submitted has been forwarded to ^{the} Accountant General (through whom it should have been sent) who was requested, in the same memo to which this current is a reply, to explain the apparently peculiar method of debiting the charges hitherto incurred in respect of the Khandan

Khandan Establishment of Kurnool. His reply is awaited.

C. Nos. 69 & 147 A.

In the first of the above quoted currents the Accountant-General reports - in accordance with para 2 of Memo No. 2737 d/6-12-93 - that Rs. 51-3-0, being cost of the Da^{vids} Establishment, is debited to "27 Territorial & Political Pensions" under G.O. No. 3 Finl., d/5-1-87 and para 7 (iv) of G.O. No. 1336 Finl., d/22-12-37 and that it is included in the list of Political Pensions of this Presidency submitted from his office in 1894, - while Rs. 30 paid to the Huzur Treasurer in respect of the duties of the Khandan Supdt. is charged to "25 Political" under G.O. No. 1104 Finl., d/18-11-86.

In the second Current the Accountant-General returns the Political Agent's Proposition Statement with the "present scale" duly verified and with the remark that the proposal is within the sanctioning powers of the Local Govt.

3. If so, shall his total salary be fixed at Rs. 40 per mensem as per the revised proposition statement submitted by the Political Agent and his post be declared pensionable as suggested on page 3 of these notes? or shall the Rs. 35 per mensem proposed in the original proposition statement be deemed a sufficient pay for duties of both Political

The A. G. might be asked to consider whether a more simpler arrangement as regards the debit of the cost of these establishments cannot be devised. This, however, can be done in Financial when the proposals have been finally dealt with in the (Political) Dept.
