Memorandum

His Highness the Maharaja of Mysore's departure for Ooty having been fixed for 24th instant I submit the usual information for communication to the Government of Madras.

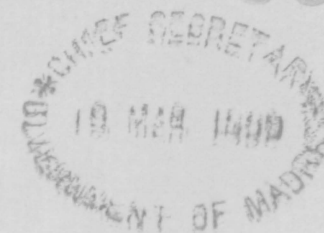

- His Highness will reside as usual in his own house "Fern Hill".
- His Highness will arrive at Ooty via Mettapolliem on 25th instant about noon.
- The probable duration of the visit will be nine weeks.
- Exclusive of the Superior Staff, the number of followers, which includes the necessary guard of Infantry for His Highness residence, will be 97-1000. The size of the party, which consists of first His Highness' own special establishment regulated and selected by himself, has been kept down to the smallest possible limits. It is unnecessary to refer here to the precautions which have been taken to prevent the followers carrying infection to the Neilgiriies, and I will merely state that the men have all been inoculated, and have been, with few exceptions, continuously resident at Bangalore for two months, under strict supervision. No cases of plague have ever occurred among the establishment of His Highness the Maharaja, which must be distinguished from that of Her Highness the Maharani Regent, who does not, as yet, intend to visit Ooty.
