Sir,

1. Priest I am forwarding to you my bill for copying Dutch manuscripts. I have the honor to inform you that it is the last of the eight manuscripts, which were given me to copy, and that I have duly handed in the copies and returned the said manuscripts.

2. In completing this tedious and laborious work, I beg to draw your attention to Para 2. of my letter No 1. dated the 30th of may 1898., wherein I submitted that, after the completion of the work, it might be brought to the notice of the Netherlands Government that the remuneration (of 8. as a page) is not commensurate with the fatigue and time this work entails.

XLX (order № 429 dated 28. June 1898.), I respectfully reiterate the same request, with all the more earnestness, as my experience of the then anticipated difficulties fully justifies me doing so. It has taken me four steady hours work a day to complete the task in ten months! Some of the pages have taken as much as a whole day to decipher, and the magnifying glass had frequently to be resorted to. The consequence being that my eyes got affected by the strain and I had to attend the eye-infirmary.

I therefore respectfully repeat my request that the Netherlands Government be asked for a more adequate remuneration.

C. No. 103 of 1899.

N O T E.

With this current, the Revd. A. H.Kroot, who has been engaged for the past ten months in copying some of the Dutch records here for the Govt. of Netherlands-India at Batavia, submits a bill for Rs.35-0-0 for his copy of volume No.1116, calculated at the approved rate of 8 annas a page. He reports that it is the last of the Eight volumes entrusted to him for copying, and repeats his request that the Netherlands Govt. may be moved to grant him an additional remuneration, as the rate allowed him has not been commensurate with the fatigue and time involved.

The volume which the Revd. Mr. Kroot refers to has been duly received [illegible] in the General Records Dept. together with a fair copy of the same in 798 pages inclusive of blank ones.

A detailed history of the correspondence which has led to the employment of the Revd. Mr.Kroot for the copying of the Dutch records in question is contained in the note for orders in G.O.No.s 409-30,Pol.,dated 08-6-98. Attention is also solicit-

to the note in G.Os. No.191-S, Political, XV
dated 23rd August 1898, No.35, Political, dated F
6-1-99 and No. 108-9, dated 3rd February VI
1899.

The Revd. Mr. Kroot has been submitting copies of the volumes forwarded to him and the copies have been transmitted to the Batavian Govt. as received. The subjoined statement shews the dates on which the copies were received, the amounts billed for on completion of each volume according to the terms of the agreement, and the order sanctioning payment in each case.

the copying charges incurred. The Accountant General was in reply informed that the Govt. would do so when the last volume then with the Revd. Mr. Kroot had been copied.

The original suggestion of the Govt. of India was that the copies required for Netherlands-India together with a statement of the cost of copying might be sent to the Govt. of India for transmission to Batavia - vide Mr. Thornton's letter No.1450, dated 21st September 1896. The copies of the volumes have as stated above, been forwarded direct It is submitted that India may be asked to recover the charges, especially as the question of the extra remuneration is at present in correspondence between the Govt. of India and the Govt. of Netherlands-India.

Draft order and letters on the lines suggested above are submitted for approval.

NOTE FOR THE C.A.

Govt Nos 108-109, Political, dated 3.2.99, deals with the subject of the extra remuneration to be allowed to the Rev Mr Kroot for his work of copying certain Dutch Records and attention is solicited to the note for orders therein. The papers quoted in this note are all put up and flagged and they seem, it is thought, to be the papers referred to by the C.S. in his instructions at the end of the note on the present current.

The only doubt I have is whether the higher rate proposed @ 10 as. a paper is sufficient. It does not appear what is the basis of that rate. The work seems to have entailed much labour. I would say pass that on Officer at first rate, say the Hon. Mr. Thompson, be asked to look at the documents which have been copied, and say if such a rate seems to him fair.

It is to be observed that the Dutch Govt. are willing to pay whatever may seem to us reasonable.

I did not fail to notice the Note referred to. The proposed rate is there referred to as "arbitrary". I thought something more definite might be arrived at, and I therefore made the proposal contained in my Note of 9.5.99. I still think that a proposal should be carried out.

I have seen the documents and Father Knott. The docts. are well written, and, except for white ant ravages - trivial when the total is considered - transcription done acquainted with the language would be a matter of little difficulty.

Fr. Knott says he required 8as a page as insufficient for the beginning of the work, and that Fr Heylyers is quick and enthusiastic in the language that he probably would had done it for nothing - at any rate the rate per page did not trouble him.
