G.O., Nos. 97, 98, Political, dated 27th January 1899.

ABSTRACT.—Entrusting His Highness the Raja of Pudukkottai with full powers of administration on certain minor conditions, and informing the Government of India of the same.

ORDER—No. 404, Political, dated 27th June 1899.

In continuation of paragraph 1 (iii) of the proceedings read again above, the Governor in Council is pleased to direct that the following procedure shall be observed in the settlement of boundary or irrigation disputes in connection with the Pudukkottai State:—

- (i) When any such dispute arises which cannot be settled by local officers, two Commissioners, Arbitrators or other representatives shall be appointed, one of whom shall be nominated by the British Government and the other by the Pudukkottai Darbar.
- (ii) The decision of the two Commissioners, Arbitrators or other representatives shall, when they agree, be accepted and ratified by both the British Government and the Pudukkottai Darbar.
- (iii) This decision shall not, however, preclude either the British Government or the Darbar from the right to enter further into the merits of the case and call for further reports from their respective officers, if either shall see cause for doing so.
- (iv) In the event of disagreement between the Commissioners, Arbitrators or other representatives, the dispute shall be referred to a third party, who shall be nominated by the British Government with the concurrence of the Darbar.

2. These rules relate to future cases only and cannot form a ground for re-opening cases which have already been decided.
