NOTE FOR THE

C. A.

Both the Press and the Accountant General's office have been consulted. The S. G. P.'s note is flagged I. The clerk in the A. G.'s office charged with the preparation of the list says that the final proofs of the list which have yet to be received from the Press by the A. G. will be submitted to Govt. on receipt as was done in 1894. Probably the A. G. will then intimate the number of copies required by him; but the clerk says that the same number of copies as were furnished to the A. G.'s office last time, viz. 6, will be required even now. In 1894, the total number of copies ordered was 40. In view of the copies to be sent to the India Office this time, submitted that the number be raised to 45. A draft order following the precedent of 1894 is submitted below for approval. As the C. A. has decided that 4 copies of the list should be supplied to the
