Ali Nawaz Khan has been well known to me for the last two years as a student in the Sixth Form of this College. His conduct has been very good. He has done well in all the subjects of his class except the Urdu language. He is desirous of any concession the Government is pleased to make to him.

When I was Vice-Principal of the Wesleyan Mission College, Rangoon, I knew Ali Navay Khan for about a year and a half. He was a very diligent student and thoroughly well behaved. He was one of the best students in my class except in his vernacular - Tamil - in which

he was weak. This is
no doubt due to
the fact that he is
a Mohammedan.
It gives me more
than ordinary pleasure
to give him this
certificate & I trust
that he will have
every success in
life, as he deserves
to have

Ali Navaz Khan has been known to me for about a year. In all the work he has had to do for me he has shown himself to be diligent, and has worked hard, and has done well. In our school examinations he has done well except in Tamil.

His conduct has been exceptionally good, and he tries to do his best always.

HIS EXCELLENCY,
THE RIGHT HONORABLE
THE GOVERNOR-IN-COUNCIL,
FORT SAINT GEORGE,
MADRAS.

(THROUGH THE COLLECTOR, NORTH ARCOT.)

*The humble petition of Ali Navaz Khan of
Vellore, residing at No. 28, Mowbray's
Road, Rayapettah, Madras.*

*Serial No.
18 of 1892
List 1/34.*

MOST RESPECTFULLY SHOWETH,

1. That your Excellency's Petitioner is the great grandson of the late Ali Navaz Khan, the "Kiladar of Arcot," a brave and distinguished officer of the Carnatic.
2. That your humble petitioner's late great grand father above named during his life time drew a pension of Rs. 350, in recognition of certain valuable services rendered by him to the British Government. On his death, his son, your humble petitioner's grandfather, the late Mirza Baquir Husain received the same pension which was allowed to his father. On the demise of the latter a moiety of the pension was equally divided between his two sons, to (Mirza Ali Husain and Abbas Mirza) each getting Rs. 87-8-0 respectively.
3. That your humble petitioner's father, the late Mirza Ali Husain, above named finding his pension inadequate to meet the expenses of his family and dependents, submitted a petition to the then Collector of North Arcot, (the late W. S. Whiteside Esqr.) who represented his case to the Board of Revenue with his strong support and which resulted in the Government passing orders enhancing the pension to Rs. 175. (Vide Boards' proceedings No. 735, dated 14th March 1876.)
4. That your petitioner's father died in the year 1883, when your humble petitioner was a child of 4 years of age. And the Government was then pleased to grant your petitioner a moiety of the pension his father received, viz: Rs. 87-8-0, which was to continue until he attains his 21st Birthday, it being provided that the Collector of "North Arcot" should periodically report favourably on the educational progress of your humble petitioner.
5. That in accordance with these orders of Government your petitioner's guardian Mir Abbas Husain educated your humble petitioner in a recognized school and submitted periodical reports regarding the petitioner's character and progress in study furnished by the Principal to the Collector of "North Arcot". These reports, which are recorded in the Collector's Office, "North Arcot," your petitioner humbly submits, will show that your petitioner has been endeavouring to the best of his abilities to make the best use of the opportunity that the Government has been pleased to give him to push himself forward in life.

6. That your petitioner passed the Lower Secondary Examination in the year 1892, with 'Tamil' as his optional language, and has been appearing for the Matriculation Examination of the Madras University for the last three years, but unfortunately the optional language which he took Tamil being a difficult one, especially for a Mahomedan, he has not been able to secure a pass. The reason that actuated your petitioner to take up Tamil as his optional language was mainly to meet the requirements of the Higher Grades of the Public Service, to compete for which one of the vernacular languages of this Presidency is an indispensable factor. Were it not for this subject your humble petitioner would have scored a "brilliant success as the marks obtained by him in other subjects were very good." In support of this statement your humble petitioner begs to attach 'certificates from the Principal & Vice-principals of the Wesleyan Mission College, where he has been studying of late years, to whom he begs to refer for full particulars as regards your humble petitioner's character and progress in study.

7. That your petitioner is now nearing his 21st Birthday and fears that if he does not secure an appointment before his pension lapses, he will be put to great straits. And he, therefore, begs that your Excellency-in-Council will be pleased in consideration of the valuable services rendered by his late great grand father and the high estimation in which he was held by Government as the records in the 'North Arcot' Collector's Office will show to give him an appointment in the Higher Grades of the Public Service consistent with his rank & status.

For which act of kindness your humble petitioner as in duty bound shall ever pray.

To,

His Excellency The Right Honorable
Governor in Council
Fort Saint George
Ootacamund.

Respectfully Sheweth

We beg respectfully to submit
the following for your Excellency's favorable
Consideration and orders in view of our hard
Case set out below.

We are the relations and
dependants of Carnatic Prisoner No. 33, Ali-
Tavaykhan who is in receipt of a monthly
stipend of Rs. 87-8-0 which however will
lapse on his attaining the age of twenty one
in June next year.

We are seven in number,
3 being Goshia ladies and 4 aged men. Of the
3 Goshia ladies two (being aunts to the Prisoner)
are blind, infirm and old and quite
incapable of looking after ourselves without
support and the other is the niece of the present

present Pensioner. Of the 4 males one is the nephew
of Mirza Ali Husain, the father of the present
Pensioner and the brother-in-law as well as guardian
of the present stipendiary and the other three
being servants, serving from the time of the
present Pensioner's Grand-father, are extremely
aged and unable to earn a livelihood
for themselves.

We beg to refer your Excellency
to the History of the Pension on which we
have hitherto been supported set out in
Mr. Whiteside's letter read in Board's Procee-
dings No 735 dated 14th March 1876 and
disposed of in G. O. No. 490 dated 8th April 76
from which it will be seen that it was main-
ly in view of the large number of dependants
on the Pensioner, that the Pension was
increased and your Excellency can easily
imagine our bot- relations and dependants
of a respectable family of ancient reputation
cast adrift to the tender mercies of Heaven
without any soul to support us in our for-
lorn condition as must inevitably be the
case if we are deprived of the bounty which
Government has hitherto extended to us.

We have not concealed from

from ourselves the fact, ^{that} the present Pensioner's
stipend was to cease on his attaining the age
of twenty one, but we had fondly hoped that
he would by that time have passed the quali-
fying Exams which would have enabled him
to support us from his official income. That
hope has not however yet been realised—
though he has spared no effort to pass the
necessary Examinations.

In view of the circumstances
above set forth and our helpless condition we
beg respectfully to request either that the
Pension may be continued for some years
more till such time as the Pensioner has
passed the qualifying Exams or that your
Excellency may be pleased to confer
some suitable appointment on him which
would enable him to support himself
and his dependants commensurate with
his station in life, saving us from starvation
and misery which must overtake us
if we are deprived of the help which
the benign Government has so long
and so generously extended to us.

How which act of kindness

Kindness and generosity petitioners shall
as in duty bound ever pray.

Dear Sir,

15 JUN 1899

In reply to your communication of June 8th,

I beg to state that Ali Navaz Khan, now a student in our College, has a good chance of passing the Matriculation Examination within a reasonable time. He

is well behaved and industrious,
and is deserving of help.

As you may, perhaps, be
aware, his previous failure
has been in his 2nd language,
Tamil. This is not his

is reading in his own
vernacular as his second

probably pass at the

NOTE

H.E. The Govt.

The first of these currents is a memorial from Ali Navaz Khan of Vellore who draws a pension of Rs. 27-2-0 per mensem until his 31st year on the condition that he attends school and is properly educated. The memorialist now states that he will attain his 31st year in June 1890, but ^{that he} has failed in the Matriculation Examination for the last three years. He therefore requests that Govt. will "in consideration of the valuable services rendered by his late great grandfather" - Ali Navaz Khan - give him an appointment in the higher grade of the public service consistent with his rank and status.

2. The second current is a memorial submitted direct to Govt. by Mir Abbas Hussain Sahib, Special Magt., Vellore, purporting to be signed (by their name) by three ~~dependants~~ dependants of the memorialist

above referred to, stating that there are seven dependents altogether and praying, on the ground of their age and entire dependence on Ali Navaz Khan, that Govt. will either continue the pension "for some years longer" until Ali Navaz can pass his ^{Matriculation} Examination or else admit him to a "suitable appointment" which will be "commensurate with his station in life".

3. The history of this pension is printed in column 3 of the tabular statement printed with G.O.No.1359 Revenue, d/18th Sept. 1873, by which one half of the original pension of Rs.350 per mensem was continued to the grandsons of the original grantee, Mirza Ali Hussain and Abbas Mirza, on the ground that of the large number of persons left dependent on the lapsed pension, it will be observed from column 3 of the same statement that it is not known by whom the grant was originally made to Ali Navaz Khan but column 4 states that it was given as "charity" and was a life grant.

4. In the following year, under explanation furnished by the collector of A.Arcot, Govt. modified its former order and granted three fourths of the original allowance to the survivors of the family - in the following proportions -

to Mirza Ali Hussain Rs.175 per mensem

" Abbas Mirza " 37/3 - do -

5. On these pensions passing Govt. "in deference to the recommendations of the collector and the Board of

Revenue

Note -

(This was the third generation)

G.O.No. 619 Rev., d/26-5-85 - K

"Revenue", consented to continue half of Mirza Ali Hussain's pension to his minor son "until he attains the age of 21 when his pension must cease", with the understanding, however, that the boy be properly educated, failing which the pension was to be stopped. ^{A moiety of the} pension of Abbas Mirza was at the same time continued to his widows as follows:-

To Sajida Begum the widow - Rs.35-12-0

" Sharbann Begum the widow " 3-0-0

with the understanding that it should lapse absolutely on the death or remarriage of either wife.

6. The pension - a somewhat obscure one, it is submitted, has thus already run through four generations and under no precedent on record does any ground exist for continuing it "for some years longer". Sajida Begum and Sharbann Begum referred to in the foregoing para are both still living and drawing their pensions at Vellore, while another member of the same family has a post in a

? Mission school on Rs.50 - Other records referred to in this note show that the family is not entirely without private resources. Under all these circumstances the request for continuance is, it is submitted, inadmissible. As regards the request of Ali Navaz Khan for a post in Govt. service this, it is submitted, is a matter for ^{para VI} the C. Petition rules of P.S. Files. These testaments are enclosed with the first current in support of the materialists ability

On the other hand, if his request were granted a most undesirable precedent would be established. Serial Nos 223 & 226 resp. in Quinquennial list of 74.

It seems to me that it might be good policy to
continue this young man's education at
least expenses, if by that means he must
be able to continue without any
reasonable time. The Principal of the Wesleyan

chance there is of Ali Maung Khan being
able to do this.
