Letter No. 448.

To

HIS EXCELLENCY THE GOVERNOR
of the French Settlements in India.

Your Excellency,

Adverting to your letter, No.6, dated 11th March 1899, regarding the disagreement between Mr. Bordes of Mahe and the President of the Malabar District Board in the matter of the amount due to the former for the execution of certain Local Fund works on contract, I have the honour to forward for your information a report, with enclosures, received on the subject from the President of the District Board, from which it will, I trust, be apparent to Your Excellency that in the event of Mr. Bordes considering that he has been unfairly treated, it is open to him to establish his claim in the Civil Courts and recover the sums of money alleged to have been improperly withheld from him. I return herewith the file of correspondence on the subject, received with Your Excellency's letter under reply.

Be pleased to accept the assurance of the high consideration with which

I have the honour to be,

Your Excellency's most obedient servant,

NOTE FOR THE Chief Secretary

I regret to say that
in looking thro' the Gaspal
(in order to get out the letter before this)
I began drafting as usual on
the letter to H.E. the Governor
of the French Settlements, which
I took to be the usual draft
& did not notice that it had
been already signed by H.E.
the Governor. The fair now sent
by Letter has apparently been
submitted for this signature in
that dept, contrary to the usual
custom under which these
fairs are subd by Political -
Independently of my mistake,
the fair has been type-written
on a half sheet instead of a
full sheet of paper (which is
usually employed in these cases)
and the paper is not of the
kind used for the purpose - being
without the fiscal Stamps. Another
fair has been made out for H.E.
Signature

C.J.S.
8/9/98

Submitted for H.E.'s information

H.E. the Governor

will the report that he
will open the fair copy
just below which is in
order that and can stand
before out being Lo. J
appear that it will be
carefully drawn from a
Despatch in these matters.
In fact it is largely with-
out intention that these
letters issue in Portrait.
