The Chief Secretary to Government
Fort St. George.

Sir,

With reference to your memorandum No. 1542 dated 9th June 1899 "Political", in re the supply of horses for the Cavalry escort attached to the Body Guard of Her Highness the Nawab Begam Sahiba of the Carnatic, I have the honour to report that as far as I can understand it, there is nothing in G.O. No. 503 "Political" dated 7th August 1896 that affects the supply of fresh horses to Her Highness' Body Guard to replace those that may become incapacitated for further service.

The Guards of Honour for the two Regams were sanctioned in para 29 of G.O. No. 230 dated 19th March 1857 and the horses that become unfit have been replaced from time to time at the cost of Government commencing from 1860.

Up to date (vide list quoted on the margin) I am of opinion that as the escort has been kept up in all respects (as to clothing, saddlery &c.) by the Government for so many years, the same should be continued to be done in a creditable manner.

during the life of Her Highness the Nawab Begam Sahiba.

The other lady (Annamamma Regam) died in 1888, and her guard was disbanded under G.O. No. 208 dated 19th March 1888 "Political".

For Orders.

In the first of the above quoted currents the P.S. informed Govt that three of the five horses attached to the Cavalry escort of H. A. Nawab Khair in misa Begams were old & unfit for further service. He therefore requested sanction for their sale & replacement by three fresh ones to be purchased locally at a cost of Rs 450 each.

2 By Memo No 953 of 6-11-99 the Paymaster was requested to state the Budget provision from which he proposed to meet the charge.

3 In reply to this the Paymaster stated that the charge could

(C No 492.)

met from savings under the head of "Commutations" for 1898-99. This proposal being dated 10th April the Paymaster was then informed that apcos in the Budget of 1898-9 could not be utilised in 1899-1900 ^{he was} & requested to submit a further reply through the Accountant Genl.

4. The Paymaster now states that the actuals of the past two years shows that the proposed expenditure may be easily met from the Rs 15000 provided under "Commutations" for the current official year as it is not at all probable that so large a sum will be required under that head.

The AC's endorsement thereon is to the effect that no objeotion exists to sanction being given.

5. The table in the margin shows the ^{available} proportion of funds utilised under this head for the past three official years & from this it would appear that the money could be safely transferred soon thus early in the year. On the other hand

The Paymaster reports that the horses

of GO 220 Pol of 19th Feb 1887 that
new ones have been purchased from
time to time when the old ones
have become worn out.

The following are four precedents
for the replacing of "cast" horses
in the Body Guard -

A. In 1884 two horses replaced with
new ones on at Vet. Surg's certifi-
cate of their unsoundness.

B. In 1890 two horses replaced with new
ones. The Vet. Surg's Certificate
condemned one of these but refused
to condemn the other as he consid-
ered it fit for further service. The
proposal to replace both was, how-
ever, sanctioned.

C. In 1892 one horse was replaced
on the statement of Col Stewart
that it was suffering incurably
from lymphangitis.
