Note.

From G.O. No 401 Pol dy 26-6-99 it will be seen that a Bill for Rs 252 for "food allowance due to my sons reward", presented by Kandyan pensioner Govinda Rayu ... was rec^d by Govt from the Coll^r Govt with a request to be informed whether he could issue orders for the payment of such a bill on the authority of the Collector's office & without Govt sanction having been given to the charge.

2. As there was no trace of this Govt having sanctioned such a charge the bill was returned to the Collector, who was requested

to furnish particulars, and at the same time this Govt requested the Ceylon Govt to state whether a general sanction to this Govt to authorise boarding charges for the children of Kandyan pensioners was intended to be conveyed in Ceylon's letter dated 20th March/95.

3. Ceylon replied stating that such a general sanction was intended to be conveyed to this Govt.

4. The Collector of North Arcot now returns the Bill together with a statement taken from Govinda Rapulu to the effect that as he has kept no account of the food expenses of his sons he cannot give the required particulars. He considers, however, that Rs 7½ per mensem has been the cost of feeding each boy but "as "Govt has only sanctioned a food "allowance of six rupees for each "boy x x x so I gave a receipt "at the same rate." In support of the latter statement Govinda Razulu forwards a written copy of Press Go No No 139/40 Pol dy 13-9-94. III + IV A

5. This Go contains a statement from the Ceylon Govt expressing willingness to afford certain petitioners every reasonable facility for obtaining a good education, including a private tutor & meal allowance.

The order was comm^d only to the Collector of North Arcot & the Govt. It is evident that the Govinda Rayulu has got hold of the order by some illegal means & has imagined that on the strength of it he can recover food allowances for his children, in arrears, for twenty one months.

6. In the absence of an order of this Govt sanctioning food allowances to the sons of Govinda Rapulu the bill cannot, it is subm^d, be admitted in any case retrospective effect for 21 months could not be given to such an order. The "particulars" called for by Govt from the Collector referred, it is subm^d, not to items of expenditure but to such points as the genuineness of the claim that two sons

7. The claim may, it is submitted, be refused admission in the absence of an order of Govt sanctioning the charge & the Collector will may be requested, at the same time, to report ~~substitute an opinion~~ as to how Govinda Rayalu got possession of the GO of which he forwards a copy ~~in which he found no direction & it is a question for order whether~~ The Collector ~~shall be~~ might, at the same time, be informed that this is no ~~select on what authority~~ for his Treasy Officer concluded ~~& that para 3 of Ceylon's letter~~ quoted in para 2 of this Note authorised the General admission of claims without previous reference to this Govt. ~~on the~~
