* * * *

2. As regards the Shoranur-Cochin Railway Survey it will be observed, from paragraph 2 of Public Works Department letter No. 143 R.C., dated 26th January 1899, to your address, that the estimate for the "final location" was sanctioned on the understanding that the cost of the survey would eventually be recovered from the Cochin State. The necessary recovery on this account should now be made and the amount credited to head "41. Miscellaneous Railway Expenditure." As regards the survey for this line undertaken prior to 1896-97, I am to say that the Government of India leave the question of adjustment of its cost to the Madras Government for settlement.

G.O., Nos. 739, 740 Ry., dated 6th July 1899.

Order—No. 865 Ry., dated 7th August 1899.

The Agent and Manager, Madras Railway Company, is authorised, in communication with the Examiner, Guaranteed Railway Accounts, to adjust the expenditure incurred on the location of the metre gauge Shoranur-Cochin Railway Surveys, by crediting the Imperial Accounts Head 41 and debiting the Cochin Darbar.

2. Expenditure incurred prior to 1896-97 in making a survey for a standard guage line will not be debited to the Darbar, but will remain at debit of Accounts Head 41.

3. A copy of these proceedings will be forwarded to the Government of India with reference to its letter No. 180 A.R., dated 22nd June 1899.
