The following Bill, together with the Statement of Objects and Reasons accompanying it, is published for general information under Rule 32 of the Rules for the conduct of business of the Legislative Council.

Bill to be introduced into the Legislative Council of Travancore.

Bill to amend "The Government Land Conservancy Regulation, II of 1067".

Whereas it is expedient to amend "The Government Land Conservancy Regulation, II of 1067;" It is hereby enacted as follows:—

I. Add the following as section 18 of the said Regulation:—

"Our Government may, by Notification in the Gazette, authorize any officer by name or by virtue of his office, to exercise all or any of the powers conferred on a Division Peishcar by this Regulation".

OBJECTS AND REASONS.

Under the present law, the power of dealing with cases of encroachments is vested only in the Division Peishcars. Having regard to the increasing number of such cases and the fact that in the taluqs which are under Settlement operation, the disposal of revenue cases generally rests with Settlement Officers, it has been deemed expedient to take power to Government to invest any officer or officers with the powers of a Division Peishcar under this Regulation.
