NOTES CONNECTED WITH G.O., No. 703, POLITICAL,
DATED 14TH OCTOBER 1899.

G.O., No. 557, POLITICAL, DATED 12TH AUGUST 1898.

For Orders.

Paragraphs XIII (1) and XIV of the "C" Petition Rules provide that every petition from an inhabitant of a Native State under the political control of this Government, or from a Kandyen pensioner, must be submitted to Government through the Political officer of the State or the Collector of the district in which the petitioner resides. Paragraph X provides that in ordinary case petitioners should submit their petitions through the head of the department to which they belong or belonged.

There is no rule as regards pensioners other than Kandyen pensioners, and it is submitted that Carnatic stipendiaries should submit their petitions through the Paymaster, Carnatic Stipends, and other Political pensioners through the Collector of the district in which they reside. Such a course, if prescribed, would save unnecessary correspondence as in a large number of these cases it is necessary to "refer the petitions after receipt in the Secretariat to the Political officer concerned. There is further the danger of Government passing orders on a Carnatic petition on information before it alone and in ignorance of facts of which the Paymaster, who is in closer contact with these petitioners, may be aware.

G.O., No. 703, POLITICAL, DATED 14TH OCTOBER 1899.

Paragraph XIV of the "C" Petition Rules prescribes that "Petitions from Carnatic stipendiaries should be submitted through the Paymaster, Carnatic Stipends." In G.O., No. 557, Political, dated 12th August 1898.

2. This rule has been, and is, very strictly followed; there are, however, now many cases in which petitions are received from relatives of Carnatic stipendiaries or from persons whose stipends were commuted long ago and to such petitions the rule cannot be applied.

3. The * reasons which induced Government to formulate the existing rule relating to stipendiaries apply with equal force, it is submitted, to all petitions which in any way relate to Carnatic stipends. Orders are, therefore, solicited as to whether Rule XIV may be revised by the insertion of the words "or on the subject of Carnatic stipends" between the words "stipendiaries" and "should" in the rule as it now stands.

4. It is submitted, further, that it would be equally useful, for the same reasons and with the same object, to insert the words:—

"or on the subject of Political pensions other than Carnatic" after the words "Kandyen pensioners" and before the word "should" in Rule XV of the same Petition Rules.

It is true that these petitions would, in a way, fall under paragraph II, but to apply that paragraph in such cases would, it is submitted, only increase correspondence and not lead to the satisfactory result to be obtained by ruling that *all* pension petitions shall come through the officer who directly controls the class of pension in respect of which the petition is presented,—viz., that full information regarding the petitioner and the reasonableness, or otherwise, of his claims will be at once laid before the Government with the petition.

It is true that these petitions are, in a way, fall under Para II but to apply that para, ^{in such cases} would, it is subm^d, only increase correspondence & cannot lead to the satisfactory result to be obtained by ruling that all pension petitions shall come through the officer who directly controls the ^{class of} pension in respect of which the petn is presented, - viz, that full information regarding the petn & the reasonableness, or otherwise, of his claims will be at once laid before the Govt with the petition.
