Note by the Examiner, Guaranteed Railway Accounts, Madras, dated 9th October 1899, on the Capital Six Months' estimate of the Travancore Branch for 1899-1900.

The Six Months' estimate has been prepared for the existing grant of Rs. 14,00,000; Rs. 7,00,000 having been allotted under finance head " 48 " in Government of India letter No. 96 A.R., dated 3rd May 1899, and a similar sum having been promised by the Travancore Durbar, as an advance, to admit of construction being proceeded with on the Native State Section of the Branch. The outlay in connection with this advance is dealt with under "Deposits".

Construction having only recently been commenced, it is not possible to say, with any degree of accuracy, whether the grant proposed will prove insufficient or otherwise; but it is expected that a more trustworthy forecast will be possible when the revised estimate is submitted in January next.
