Communicating to the Public Works Department (Railway Branch) letter from the Resident in Travancore and Cochin regarding the acceptance by the Diwan of Cochin of the method suggested for bringing into the accounts of the Madras Railway Company all expenditure on land acquisition for the —.

GOVERNMENT OF MADRAS.

POLITICAL DEPARTMENT.

READ—the following paper:—

From G. T. MACKENZIE, Esq., I.C.S., Acting Resident in Travancore and Cochin, to the Consulting Engineer for Railways, Madras (through the Chief Secretary to Government), dated Trivandrum, 27th November 1899, Ref. on C. No. 3659.

With reference to your letter, No. 3252, dated 24th October 1899, I have the honour to inform you that the Diwan of Cochin gladly accepts your suggestion that *all* expenditure on land acquisition should be brought into the accounts of the Madras Railway Company. In regard to your suggestion as to the transmission by the Darbar of monthly advices of expenditure on account of land acquisition, supported by copies of award statements and payees' receipts, the Diwan points out that the transmission of the payees' receipts month after month will cause some confusion in the working of his Audit department, and his proposal is therefore to prepare a consolidated statement showing firstly (*a*) the total expenditure incurred by the Sirkar on account of land compensation, (*b*) the amounts realised by the sale of buildings, &c., on the lands acquired for the railway, and (*c*) the net expenditure incurred by the Sirkar, supported by copies of award statements and payees' receipts, after the work of acquiring *all* the lands is completed. Considering the rapidity with which the land acquisition work is now going on, the Diwan believes that the whole land acquisition work in the Cochin State will be completely over in about three months or so. In these circumstances he desires to know how far this proposal of his commends itself to you.
