POLITICAL DEPARTMENT.

READ—again G.O., No. 790, Political, dated 6th December 1899.

READ—also the following paper:—

From FRANCIS J. E. SPRING, Esq., Consulting Engineer for Railways, to the Resident in Travancore and Cochin (through the Political Department), dated Madras, 19th December 1899, No. 3937.

The proposal contained in your letter, No. 3659, dated the 27th November 1899, is quite unobjectionable and may be carried out.

2. It is of course understood that when in my letter, No. 3252, dated the 24th October 1899, I mentioned "the books of the Madras Railway Company" my meaning was "the account books which the Madras Railway Company keep for the Cochin Railway."

3. Statements of debits and credits on Cochin Railway Land Account arising after the completion of the primary and extensive acquisition proceedings now in progress might with advantage be sent in to the Company half-yearly in time for incorporation with the June and December accounts.

ORDER—No. 828, Political, dated 23rd December 1899.

Communicated to the Resident in Travancore and Cochin.
