To

His Excellency,

Sir Arthur Elibank Havelock, G.C.M.G. & G.C.I.E.,

Governor of Fort St. George, Madras.

My Lord,

I, the humble petitioner Kareem Mohideen, grandson of Tkiuddin Khan Muzaffaruddowla Zabith Jung Bahadur and Nawab Muhammad Ali Khan, Wallah jah, who are paternal and materna ancestors respectively, do most respectfully beg leave to ap proach your mercy with the usual request that just consider tion be paid to my application. Because the small stipend o Rs.9-8-0 that I have been in receipt of is too inadequate t enable me to maintain my large family and because of the co tinual hardships, whether they be of the nature of starvation or otherwise that whole family is generally subjected to, I submitted a petition dated 20th April 1899 for your Excelle cy's perusal. The reply thereto was received in Political No.139 of the 6th of May last by which my petition was re- jected on the ordinary ground that it does not disclose any new facts.

But what I presume from the receipt of such a reply is that your Excellency has not gone through the application fully, for had it been so, I doubt very much that on just and equitable grounds my application would have been disposed of in this manner. I have enclosed in this application the copy with the translation of the order dated 20th Rabiavval 1216 Hijiri year addressed to my grandfather Muhammad Takiuddin Khan Bahadur, Collector of Ongole, by the Nawab Azimuddowlah Bahadur. But what I like to impress on your Excellency's attention is that in 1801 the English East India Company was pleased to allot a pension of Rs.550 on each of the Carnatic

Amils and after them it was continued on their successors But to the grandfather of the petitioner who was the Collector of Ongole, a similar privilege was not allowed. This might perhaps have been done for the reason that he was in enjoyment of the Jaghir of Chakrajpur. But subsequently that jaghir also was wrested from him and against his will, and a pension was continued therefor, contrary to the proper rule. Therefore I request that your Excellency will be pleased to order for the continuance of the pension on account of the Talukdarishio of my grandfather, which now lies resumed. Should this also be not taken as a new fact, I beg to refer your Excellency to a case in which the Honourable Justice Collins was pleased, taking compassion on the distressed condition of Muhammad Khalilullah Sahib, to wrest some of the properties which his aunt Ghousia Begum Saheba had endowed for the expenses of her husband's sepulchre from the Muthavalli in charge of the endowments and to bestow its income on the nephew of the Begum. Accordingly I pray that your Excellency will also be pleased to continue a similar pension on this most distressed person of a most illustrious but broken down family of Nallajah from the income of any one of the numerous endowments made by him. In fact it will be a great act of charity not only on this crippled old man the petitioner who am merely with one of my legs in the grave, but also on my large harassed and starvation hunted family, should your Excellency be pleased to know of my disastrous condition by directing me to present myself before any one of the Surgeons of the district in order to produce certificate of my decrepitude and infirmage and then to invest me with a pension either from the vested rights of my forefathers' pensions or by way of a public or private charity

This is not a new fact. cf. para 3 of the Govt. G.O. of 1898.

and thus will allow me to remain for the very small period that remains of my life with a calm, untroubled and consoled heart.

I subscribe myself ever to remain,

My Lord,

Your Excellency's most obedient & humble servant subject,

9th November 1899

To

His Excellency,

Sir Arthur Elibank Havelock, Gc.I.E.& G.C.M.G.,

Governor of Fort St. George,

M a d r a s.

My, Lord,

I, the humble petitioner Karim Mohiuddin Grandson of Muhammad Takhiuddin Khan Muzafferuddowla Zabith Jung Bahadur and Nawab Muhammad Ali Khan, the renowned Wallajah, who are respectively my paternal and maternal projenitors, do most respectfully beleave to approach your mercy with the humble request that my application will have due attention paid to it.

I had submitted a petition dated 1st of May 1898 A.D., to the Paymaster of the Carnatic Stipends. In reply thereto he stat in his endorsement No. 172 of 6th May of the same year that, because I had been in receipt of this present stipend for a period extending over twenty seven years, I could not be entitled to any increment. My Lord, it is clear from his reply that the increment would have been allowed to me, had it not been for this long lapse of time. I think, I may well recount here a few of the facts I have already alluded to in my application of the 17th of June '98 Having borne in mind the rulings of Her Majesty's Government on the 1st of November 1858 A.D., whereby it is strictly enacted that the right of Her Majesty's subjects should be dealt with proper justice and care, and due deference to all such rulings, I consider it a great departure from equitable principles that the request of the petitioner who has got enough of documentary evidence to support his claim should be overlooked while those of others,

although they have no such evidence to support their claims, have been dealt with favourably so as to have stipends and increments allowed to them. As instances may be mentioned the names of Tur Ali Khan Bahadur, Surdarjung Bahadur, Hussaina Begum Saheba and others. For Your Lordship's perusal I had enclosed in my applica- 821 842 30.11.[illegible] tion of the 17th of June 1898 A.D., Copies of my applications to the Paymaster and his endorsement thereon, with that of the certi- ficate to my grandfather's Jaghir and of my petition to Govern- 321 842 30.11.[illegible] ment dated 24th March 1898 A.D., That application, I understand, has been transferred to the Paymaster for report. I presume the Paymaster might have learnt from the records of 1799 & 1800 that of the four jaghirs that had been granted by the Nawab Wallajah to Rabia Begum Saheba and her four sons three were resumed by Nawab Umdath-ul-Umra from three of the sons of the aforesaid Begum Saheba as represented in the parenthesis here below (Viz: from the 1st son Ruknuddin Khan, 3rd son Aseeuddin Khan and the 4th son Tajuddin Khan), so the 2nd son of the aforesaid Begum Saheba or my grandfather Muhammad Takiuddin Khan, had been in undisturbed enjoyment of the Jaghir of Chakrajpoor. But in pursuance of a treaty entered into by Nawab Azimudowlah with the English all the dominions of Government were taken possession of by the latter. Thus even the Jaghir of Chakrajpur went over to the English, although the owner thereof was greatly disinclined to any abdication of it.

Even the small stipend of Rs.416-10-6 that had been sanctioned by reason of the jaghir having been resumed was not allowed to my grandfather to whom it had rightfully belonged but it was given instead, to his mother Rabia Begum Saheba after the manner of her sisters who also had been in receipt of a similar stipend. After the decease of the aforesaid Begum Saheba each of the three undeserving of her sons received a share in the salary, and after them, their sons and grandsons.

I have enumerated in my petition to the Paymaster, dated 17

June the various exceptions to such limitation of time as is allowed in the case of my application. Perhaps for this reason I have incurred the wrath of the Paymaster and if he has consciously written in any way against my right in his report No.894, I am at a loss to know, why such grounds should not have been mention in his endorsement No.172. If the Government were pleased to consider such occasional report from the Paymaster as solely authorative, I greatly fear that my right will be overlooked. My Lord may be asked why his right to this salary had not been contended for previously by my grandfather himself. The reason is simple. It was because the various incomes (such as those from Government the Nawab of the Carnatic and from Nawab Sasedun-nissa Begum Saheba) that accrued in the interest of my grandfather came to more than Rs.500 per month. Similarly as in his case, I also had been regularly in receipt of Rs.25 for rent from the Normal Training Institution and Rs.75 for the accumulated rents of the various petty shops that Town. Thus a sufficient sum of Rs.100 was yielded to me every month. Now that the Government Normal School premisss with others are to be sold by auction as per the High Court decree, I find that I shall have neither a house for shelter nor a means of subsistence. It is for this reason that after the lapse of full twenty seven years I have claimed for my right; else I would never have preferred giving trouble to the Government.

One year before his death my grandfather made over to my charge his jaghir certificate and the order dated 20th of Rabi-ul-Awal 1216 Hijri year, which he received in consequence of the Nawab Azimuddowla Bahadur having parted with his Ongole Taluk in favour of the English, along with several other important papers. This is one of the main reasons why I assert that I have a better claim in the jaghir of my grandfather or in the stipend of Rs.416-10-8 allotted by reason of its resumption, than any one else from the family of Rabia Begum Saheba or of my grandfather can have. Therefore

Therefore I most humbly appeal to your excellency to consider my request favourably and to do justice to my claim.

For this act of generosity I shall ever bind myself grateful to Your Excellency..

I subscribe myself ever to remain,

My Lord,

Your Excellency's Most obedient & humble servant.
