Sir,

1. In answer to your communication of the 27th Instant No 320, I have the honor to inform you, that Mr Lowry applied to me as Justice of the Peace of the District in which he resided, to forward his application to the Commissioner of Police at Madras, for the usual licence for his printing Press, in accordance with Section VIII of Act XV 1857, and that in compliance with his request, his application was at once transmitted to Colonel Boulderson, from whom as yet no reply has been received.

printing Press is the main support of his family, and is essentially useful, I may indeed say necessary here, being almost altogether confined to advertizement, bills of sale, and other subjects of local interest. I have given him permission to continue its employment on a copy of every subject issuing from it, being submitted to me.

3. In conclusion I have the honor to state, I was unaware as Justice of the Peace, that it was either usual, or necessary to report the circumstance to you, and I cannot but deem it probable, as I explained the nature of Mr. Lowry's printing press to the Commissioner of Police at the Presidency that this Officer scarcely deems a licence necessary.

Sir,

1. With reference to your Circular No 1527 dated 8th Instant, I have the honor to state for the information of Government that the only Printing Press that has been established here,* for which a Licence was granted through this Office, is the small one belonging to Reverend W. B. Addis and C. S. Addis Missionaries of the London Missionary Society.

*vide Extract Minutes of Consultation 31st July 1857 No 1052.

2. No news papers or other periodicals are published by them, the only papers that are printed in the above Press, being some Tamil Tracts for the use of the native

Christian Congregation. This will account for the Returns called for in the Government Circular of the 7th July 1857 No 899, not being hitherto furnished.

3. I now beg to submit a list received from Reverend W. B. Addis & C. J. Addis showing the number, titles &c of all that have been printed by them since 31st July 1857, the date of their Licence, to the present period, together with the copies of the Tracts. A list of the Proprietors of the above Printing Press is also forwarded.

4. At Ootacamund there is a Printing Press established by Mr A. T. Lowry, but the application for a Licence for the same, and all other communications relating thereto, have passed between the Commissioner of Police at Madras & the Joint Magistrate of Ootacamund in his capacity of Justice of Peace without reference to this Office, as will appear from the accompanying Copy of letter from Colonel Cameron dated 29th July 1857 No 100, in which that Officer states that he "was unaware as Justice of the Peace that it was either usual, or necessary to report the circumstance" to this Office. Consequently it does not appear that Mr Thomas called for any further information from the Joint Magistrate on Mr Lowry's Printing Press. I presume that the Joint Magistrate has forwarded the requisite Returns through the Commissioner of Police at Madras.

[illegible]

5. With the exception of the above two, there are no other private Printing Presses in this District.
