EDUCATIONAL NOTIFICATION.

1. With reference to paras 51 to 62 of the Honorable Court of Directors' Educational Dispatch to the Government of India, dated the 19th July, 1854, the Director of Public Instruction gives notice that he is prepared to receive application for Grants in aid of Schools either already established, or proposed to be established; by private subscriptions or endowments.
2. These Grants will be made with a special view to the extension and improvement of the secular education of the people and will be given impartially to all Schools, whether Male or Female, Anglo-Vernacular or Vernacular (so far as the requirements of each particular district, as compared with others and the funds at the disposal of Government may render it desirable) which impart a sound secular education, and the managers of which may consent to submit to the conditions mentioned below. It will be essential to the consideration of applications for aid that the Schools on behalf of which they are preferred, should be under the management of one or more persons who, in the capacity of Proprietors, Patrons, Trustees or Members of a Committee, ~~electd by the Society or Association by which the School may have been founded, will be prepared to undertake the general superintendence of the School, and to be answerable for its permanence for some given time.~~
3. No Grants will exceed the amount of Funds raised from local or other sources for the purposes for which the Grant is sought; and as a general principle, except in the case of Normal Schools for training Teachers, Grants will be made only for specific purposes, and not in the form of simple contributions in aid of the general expences of a School.
4. Except in the case of Normal Schools for training Teachers, Grants will be restricted to those Schools in which some fee, however small, is exacted from the Scholars.
5. All applications for Grants must be accompanied by a declaration that the applicants are prepared to subject the School, on behalf of which the application is made, to the inspection of a Government Inspector, such inspection and examination having no reference to religious instruction, but only to secular education. The applicants must further declare their willingness to conform to the conditions hereunder specified for the regulation of such Grants, and no Grant will be made until it shall have been ascertained from the report of an Inspector—
 - 1st. That the case is deserving of assistance.
 - 2nd. That the Grant applied for will not supersede the efforts of Associations or Individuals.
6. The following are the specific objects for which Grants will be given :
 - 1st. The erection, enlargement, or repair of School buildings.
 - 2nd. The provision of School furniture.
 - 3rd. The augmentation of the salaries of the teachers, or provision of additional teachers.
 - 4th. The provision of stipends for pupil teachers, and of gratuities to teachers who undertake to instruct them.
 - 5th. The provision of School books, Maps, and School Apparatus at reduced prices according to the circumstances of the case.
7. The following are the conditions upon which Grants will be made for the objects above specified—
 - 1st. It will be a condition of all Grants towards the erection, enlargement, or repair of School buildings, that such rules as shall be laid down in regard to the dimensions and arrangements of the School buildings, with reference to the number of Scholars they are designed to accommodate, shall be duly observed, and that the permanent assignment of the buildings for School purposes shall be adequately secured.
 - 2nd. Applications for Grants for the provision of School furniture must be accompanied by a declaration on the part of the applicants that they will be personally responsible for the due preservation of the furniture of the School, and for its being reserved for the purposes for which it is supplied.
 - 3rd. Applications for Grants in augmentation of the salaries of teachers, or for providing additional teachers, like other applications for aid, will be referred to a Government Inspector for report on the merits of the School and qualifications of the teachers, and their continuance will depend upon the periodical reports of the Inspector on the merits and proficiency of the teachers, as ascertained at his periodical examinations of the School.
 - 4th. Grants for the payment of stipends to pupil teachers will be made only to those Schools in regard to which the Inspector may report that the Master is competent to instruct such pupil teachers; and the continuance of such stipends, as well as the amount of gratuities to be assigned to the Masters for the instruction of the pupil teachers, will depend upon the proficiency of the latter.
 - 5th. Grants of School books, Maps, or Apparatus at reduced prices will be accorded to Masters and Scholars, and that due means shall be taken for their preservation.
8. Grants will also be given in aid of Scholarships and of stipends for Normal students, the rules for which will be notified hereafter.
9. No payments will be made by Government until the proportion of funds, which under the conditions of the Grant is to be contributed from local or other sources, shall have been actually paid.
10. It is to be distinctly understood that Grants in aid will be awarded only on the principle of perfect religious neutrality, and that no preference will be given to any School on the ground that any particular religious doctrines are taught or not taught therein.
11. The Government of India have intimated that the foregoing Rules are to be considered provisional, and that they may be eventually superseded by a code of Rules applicable to the whole of India.
