N^o 9.

Madras, 13th December 1858.

From,

B. J. Mailajan Esq.
Auditor of the Colonial
Immigration Accounts,

To,

S. Malcott Esq.
Secretary to the Immigration
Commissioner,
London.

Sir,

I have the honor to acquaint you
that I have examined the accounts of the
West India Immigration Agency for the
months of January, February and March of
the present year. Annexed is an abstract
of the different receipts and payments. I
have checked the advances received from Govern-
ment by a statement furnished to me by
the Sub Treasurer, and the payments by
the vouchers produced and find the whole
correct. I have also satisfied myself that
the expenditure is reasonable and necessary,
and that the discharges are valid and sufficient.

With reference to the item of Proportional
of Depot Expenses I may explain
that the whole expenditure in the Depot
has been included in one Account from
the date of its formation in May 1857 to
28th February in which day West India
Immigration for the season ceases. The whole
expen-

expenditure is then divided between the Mauritius and West India Colonies in proportion to the number of Emigrants embarked for each. This system is being continued in force for the current year / 1st March 1858 to 28th February 1859/- Thereafter however the Batta and provisions issued will be charged in the quarterly accounts according to the actual number of Emigrants for each Colony in the Depot day by day. and the Depot account will be confined to such items as Building, Furniture and Fittings, Medicine and Medical comforts, Salaries, Rent andundry small payments which are common to both Colonies and will on the same principle as now in force be divided every year on 28th February.

The following is a summary of the Depot Expenses

Building and repairs of Sheds	74. 15.
Furniture and Fittings	209. 12. 7.
Depot Commission	354. 15. 10.
Salaries of Establishment	209. 12. 7.

Brought forward Rupees 11963. 12. 9.

 including maintenance of Emigrants 186. 2. 1.

 the Depot was temporarily
 broken up in account of Cholera 1832. 8. 7.
 Charges furnished to Emigrants in deficit 920. 7. 7.
 undry small payments 31. 1. 6.

Rupees 14134. 11. 6.

Of which has been debited to the Mauritius Government on account of Emigrants 13022. 5. 10.
 and to the West India Colonies on account of 350 Emigrants 1111. 10. 8.

Rupees 13011. 5. 2.

In the same manner proportions of the Office Rent and Salaries of Office Establishment originally debited in full to the Mauritius Government are now placed to their credit and debited in the present Account Current to the West India Colonies.

On the present occasion the Vouchers have as usual been transmitted to the Madras Government but as the accounts are now audited

ted here it may perhaps be considered unnecessary that they should in future be sent to England. On this point I await the instructions of the Commission.
