The Chief Secretary to Govt,
in the Public Department
Fort St. George

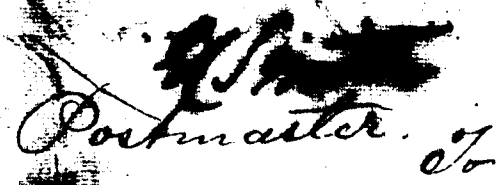

Sir,

In reply to your memorandum
No. 173 of the 14th instant, I beg leave
to inform you that both the European
serjeant and the jemadar who accom-
panied the mauls from the "Simla" to
this Office, declare that the boat which
brought ashore the Iron boxes (contain-
ing the Government Despatches) were not
~~washed~~ over by the sea here during
their

their transit from the vessel to the
beach. My impression is, from the
Despatches having been received next,
that the Iron boxes which contained
them were not landed with proper
precaution either at Malta or Alexan-
dria. You will see by the enclosed copy
of a letter from the Dy. Postmaster Genl.
Malta that the mails were on the pre-
vious occasion damaged in some way
and were removed from the iron boxes
which are always soldered, into wooden
boxes.

I have the honor to be
Sir,

Your most Obedient Servt.

Postmaster. G.
