No 28.

Madras 30th May 1859

A. Pycroft Esq
Chief Secretary to Government.
Fort St. George.

Sir

I have the honor to acknowledge receipt of the Order of Government No 750, dated 16th Instant, accompanied by a letter from the Accountant General, dated 9th Idem, in reply to my letter of 16th April 1859.

I beg to observe in explanation of the difference of Rs 15,000 noticed by the Accountant General in Para III of his letter, that my communication had reference, not to the whole amount of advances made to the Emigration Agent, between the dates specified, but only to certain portions of them, which had been credited by him to a wrong account. The three payments of Rs 5,000 each, which made up the difference noticed, had been correctly accounted by the Agent to the Government of the Mauritius Government.

The suggestion contained in Para 4 of the Accountant General's letter, had already been acted on by me, in auditing the accounts of the past quarter, and my predecessor also, appears to have been furnished by the Sub-Treasurer, with statements of the

nature referred to, for the period over which he exercised his audit.

(17.) I have now the honor to forward for submission to the Honorable the Governor in Council, copies of my Report on the Accounts of the Mauritius & West India Emigration Agency.

I have the honor to be

Sir,

Your Most Obedient Servant

A. M. M. S.

Auditor of the Accounts of the
Colonial Emigration Agency

No. 26.

Mauritius 25th May 1859

To The Honorable
The Colonial Secretary,
Mauritius

Sir,

I have the honor to acquaint you, for the information of His Excellency the Governor, that I have audited the Accounts of the Mauritius Emigration Agency, for the Quarter ended 25th March 1859.

I have checked the Advances received by the Emigration Agent from the Mauritius Government, by a statement furnished to me by the Sub. Treasurer, & the payments by vouchers which have been laid before me, & I have found the whole correct. - I beg,

however, to bring to notice, that payments made by the Collector of Mellore, on dates antecedent to the period of my audit, and amounting to Rs. 1049. 4. as per margin, have been entered in the Accounts of the Quarter, having previously been overlooked.

I have satisfied myself, by reference to the Collector's letters, that the payments were actually made; and the omission to debit them, on proper cause, appears solely attributable to the irregular system on which the Accounts have hitherto been kept.

Aug 27	161 2 6
Oct 27	182 15
<u>Rs 1049. 4.</u>	

I have ascertained, to the best of my ability, that the Charges made on Account of the Emigrants have been fairly estimated, that the Expenses incurred have been reasonable & necessary.

I have satisfied myself as to the validity & sufficiency of the Receipts &

Annexed is an Abstract of the different Receipts & Payments; & also a Summary of the Depot Expenses for the past year. These expenses have been divided between Mauritius & West India Colonies, in the following proportions:
Mauritius - On Account of 10,869 Emigrants Rs 35,445. 2. 6.
West India Colonies. - - - 1825 - - - 54,578. 8. 9.

With reference to my letter dated 14th April last, I have the honor to Report, that the whole of the Advances, Amounting to the Aggregate of Rs 40,000, which are annually credited by the Agent to the Depot Account, in previous Quarters, are being written back to the Mauritius

and, on 25th March 1859, has thereby been neatly adjusted. I am yet uncertain, as to whether the Accounts should be balanced, in order to show the correct balance which the Agent holds at the end of each quarter, from the date of the first of these

advances, but I am led to infer from the Reply of this Government to my letter of 16th April, that this will not be necessary. I await the instructions of His Excellency on the subject.

I have the honor to be Sir

Your Most Obedient servant

J. E. Louch.

Auditor of the Accounts of the Colonial Emigration Agency.

N. 41. 546. 11 3

In the Deficit Account for the past year, it will be observed, that the balance of N. 5. 865. 15. 6, shited at credit of the account rendered for the previous year ending 28th Oct. 1825.

was, in fact, an error of account, arising from the incorrect credit to the 'Deficit' of a portion of the Advances received by the Emigration Agent on account of the Mauritius Government, which an adjustment has now been effected. - The account for the past year has been closed to a profit, (as that of the previous year should have been the expenditure) of the total number of Emigrants shipped for each.

 Your Most Obedient Servant.
