Madras 24th Aug. 1859

To The Honorable 2/330
The Colonial Secretary
Mauritius.

Sir,
 I have the honor to report, for the information
 of His Excellency the Governor, that I have
 audited the Accounts of the Maritime Emi-
 -gration Agency, for the Quarter ended 25 June
 1859. - An Abstract of the Receipts & payments
 is annexed.

51. - I have checked the Advances received
of rate & principal from the Government, by a Statement furnished to me
by the Sub. Treasurer, & the payments by
Treasurer which have been laid before me, &
I have found the whole correct.

101. I have ascertained as far as practicable that the Charges made on account of the Emigrants have been fairly disbursed, & that the expenses incurred have been reasonable & necessary.

18. I have satisfied myself that the Receipts & Vouchers are valid & sufficient, & I have also verified the Arithmetical Accuracy of the Account.

During the past Quarter, Chauders were called for provisioning the Comptrols in the Depot for the period of 12 months from 1st

June 1839, & a contract has been concluded at the rate of 1. Anne & 9 pice per item for each Statute Emigrant, being a reduction of 5 pice per adult on the previous charge; which I estimate will effect an annual saving of about 400 £. on this item of expenditure -

II. - Tenders for the supply of clothing were also called during the past Quarter, & the lowest offer was accepted, but the party tendering having declined to enter into the Contract on his own terms, the Agent threw up the tender & reverted temporarily to the former contractor, who offered to supply the clothing at an abatement of 5 pice cent on his previous charge. As the orders of Government require that their supplies should be procured by public competition I have then

tenders which he has accordingly done, & the result shall be reported hereafter.

III. - A reduction in the charge of Peepot Commissions from 1 Anne & 6 pice to 9 pice per Emigrant has been carried into effect from 1st June last, which will result in a probable annual saving of 400 £ to 500 £.

I have the honor to be

Sir,

Yours most obedient Servant,
