To

Joint Mag^{ts} of Cochin

E. B. Thomas Esq^r

Collector of Coimbatore

Sir,

1. In answer to your communication of the 27th Instant No 320, I have the honor to inform you, that Mr. Lowry applied to me as Justice of the Peace of the District in which he resided, to forward his application to the Commissioner of Police at Madras, for the usual licence for his printing Press, in accordance with Section VIII of Act ~~XX~~ 1857, and that in compliance with his request, his application was at once transmitted to Colonel Boulderson, from whom as yet no reply has been received.

2.

In the interim as Mr. Lowry's

printing Press is the main support of his family, and is essentially useful, I may indeed say necessary here, being almost altogether confined to advertisement, bills of sale, and other subjects of local interest. I have given him permission to continue its employment on a copy of every subject issuing from it, being submitted to me.

3. In conclusion I have the honor to state, I was unaware, as Justice of the Peace, that it was either usual, or necessary to report the circumstances to you, and I cannot but deem it probable, as I explained the nature of Mr. Lowry's printing press to the Commissioners of Police at the Presidency that this Officer scarcely deems a license necessary.

I have to

To

W. H. Bayley Esq.
Secretary to Government
Fort St. George.

Sir,

1. With reference to your Circular
No. 1527 dated 8th Instant, I have the honor
to state for the information of Government
that the only Printing Press that has been
established here, & for which a licence was granted
through this Office, is the small one belonging
to Reverend W. B. Addis and C. J. Addis
Missionaries of the London Missionary Society.

No 1052.

2. No news papers or other periodicals
are published by them; the only papers that
are printed in the above Press, being some
Samiel Tracts for the use of the Native

Christian congregation. This will account for
the Returns called for in the Government
Circular of the 7th July 1857 No 899, not being
hitherto furnished.

I now beg to submit a list
received from Reverend W. B. Addis & C. J. Addis
showing the number, titles &c of all that
have been printed by them since 31st July 1857,
the date of their Licence, to the present period,
together with the copies of the Tracts. A list
of the Proprietors of the above Printing Press
is also forwarded.

At Pottacamund there is a Printing
Press established by Mr. A. J. Lowry. but
the application for a Licence for the same,
and all other communications relating thereto,

of Peace without reference to this Office,
as will appear from the accompanying
copy of letter from Colonel Cameron dated
29th July 1857 No 100, in which that Officer
states that he "was unaware as Justice of
the Peace that it was either usual, or
necessary to report the circumstances" to this
Office. Consequently it does not appear that
Mr Thomas called for any further information
from the Joint Magistrate or Mr Lowry's
Printing Press. I presume that the Joint
Magistrate has forwarded the requisite Returns
through the Commissioner of Police at Madras.
5. With the exception of the above two,
there are no other private Printing Presses
in this District.
