*Proceedings of the Madras Government, Public Department,
for the month of February 1860.*

No. 48. Read the following letter from GEO. PEARSE, Esq., M. D., Director General, Medical Department; to the Chief Secretary to Government, Fort Saint George, dated 4th February 1860, No. 25.

Adverting to the Circular issued with Proceedings of Madras Government, Public Department, No. 45, dated 12th January 1860, I have the honor to report as follows :—

1st. There are six peons attached to my office, who each receive 7 Rupees per mensem.

2ndly. They are all present for duty, but two are old men and almost beyond their work.

3rdly. The Post office is largely used for the despatch of official documents, but for speedy communication with other departments, peons are very necessary.

Since the removal of my office to the Fort, the peons have had easier work.

4thly. I am of opinion that the services of *one* peon may be dispensed with, but should the office be removed at any future period, outside the Fort, it would then be necessary to employ an extra hand.

No. 49. ORDER THEREON, 7th February 1860, No. 177.

The peon whose services are not required may be discharged. The Director General, Medical Department, will state his period of service, in view to an application being made to the Government of India for any gratuity to which he may be entitled.

(Signed) T. PYCROFT,

Chief Secretary.
