J. J. Peroff Esquire
Chief Secretary to Government

The humble petition of Battala
Sobiah, Head Writer in the
Sly Office of the Emeralds
Battala Union
Battala

Most respectfully sheweth

With due respect, and humble sub-
mission, I beg leave to bring the following cir-
cumstances to your mature consideration, hoping
they will meet with your kind approbation.

I was in the Postal Office
at the different stations of the Vizagapatnam
District; for a period of four years; and I gave
my resignation while I was in the Dayakara-
pettah Post Office, as a Writer on a salary
of 20 Rupees per mensem at my own request;
in the month of February 1856. In the month of
April 1856 I was appointed Acting Head Writer
on a salary of 35 Rupees in the District
Assistant Collector's Office, of the
District; but the arrangement which then
took place, having been reversed, I was sent off
from that service, on the expiration of 2 months.
- In the month of September 1856, I was ap-
-pointed as a Writer, in the Office of the
General

General's Office, Northern Division, on a salary of 30 Rupees per month; ever since that period, I have been performing the Office duties in the above Department, with greatest care, and fidelity; and with perfect satisfaction to my Employer, Captain Shakespeare, the Dy. Asst. Commr. General of the Division.

By the present orders of Government, it appears, that no one can be employed in the Government Service, without passing the uncovenanted Service Examination, except those who have already been in the Government employ prior to that order.

I am perfectly sure, that the duties connected with the Dy. Asst. Commr. General's Department, are public and most particularly State is Government; but not at all private, while the case is such, there may be, I apprehend, no objection to Government, in complying with my request for granting me any situation as a public Writer, when opportunity offers, without passing the uncovenanted Service Examination.

In conclusion, I beg to observe, that in the notification of Lord Lansdowne's Gazette of 9th October 1860, there is a modification of the Rules, for the admission of persons into the uncovenanted Service of Government; in the 2^d Clause of the 1st Para, it is thus stated, "that persons who have been continuously in Government employ, since January 1859, are exempted from

"from the examination Rule, -"advancing this position, I need scarcely inform you honor, that the duties I have hitherto performed in the Quarter Master General's Office, since 1856, are solely connected with Government; and as I stand liable to the modification of the Rule, in the said Notification of Government, I beg you to be graciously pleased, to grant this my humble request, by soliciting your unbounded generosity, to submit the above request, for the favorable consideration of Government; with your kind opinion, so that I may be allowed to obtain any situation conferred on me, in any branch of the public Service. In doing this, I am of great service to myself as well as unbounded, Ever pray -

Walter
to November
1860

I beg to remain with due respects

Respected Sir,

Your most Obedt and humble Servant

Panthoo la Soobiah,

Asst. Writer in the Dy. Asst. Commr. General's

Department, Northern Division.
