From,

The Chief Engineer

To,

The Chief Secretary
to Government

Public.

Sir,

Agreeably to the Proceedings of
Government dated 12th January, 1860, N: 45
I take myself the honor to submit a statement of
the Perno attached to the Central Office showing
their rates of pay, term of service and general fittings
for duty.

2. The employment of the Post Office
for the delivery of letters in Town and the suburbs
would certainly be of advantage to this Depart-
ment, as the work of the Perno would be so far
diminished as to make it about the same as it
was previous to the removal of the Central Office
from the Fort, but I do not consider that any
decrease

decrease can be effected in their number. The present strength appears ~~just~~ sufficient for the efficiency of the Department, and I cannot therefore recommend it being reduced..

3. The total number of Persons entered in the accompanying Statement is 30 distributed as marginally noted..
