From Major H. P. Siddons
 To the Chief Secretary to
 Government.

Madras 31st January 1860

1859 November 8 Letter from Messrs. De la Croye & Co. Municipal Commissioners claiming exemption from tax on one horse as a member of the Madras Volunteer Cavalry Guards on the grounds there stated.

November 18 Resolution of the Municipal Commissioners regarding that the intention of the 18th May 1859 may be ascertained.

November 23 Letter from a member of the Madras Volunteer Cavalry Guards to Major Siddons soliciting his assistance in obtaining a declaration of the intention of the 18th May 1859.

2. I understand that the question raised by the Municipal Commissioners is simply whether the Cavalry portion of the Volunteer guards is disbanded, or whether they are merely dis-embodied and liable to be called out for service, on duty, or similar to yeomanry Cavalry in England. I also understand that in view of the intention of the 18th May 1859 then that the form-
 mifaction admit that each member of the Corps is exempted from the tax on one horse under the 15th section of Act No. 22 of 1859.

I have the honor to be,
 Sir,
 Your most Obedient Servant
 H. P. Siddons. Major.
 Com^d Vol. Cavalry Madras.

The Municipal Commission for the Town of Williams

March 8th 1859

Gentlemen

With reference to the Municipal Commission to our meeting
held by one of your Sons for March the two on one horse
and to my subsequent interview with Mr. Heritage, I am
myself the honor of informing you that I have
myself spent for a time on that horse.

On the schedule returned to me to your Office,
I have to mention that I have a receipt for the
same.

3. By the 15th of March of 1859, being
the day of publication of the schedule, shall belong
to a group of persons, shall not belong to them on their
without being liable to pay for the same any sum
unpaid upon the same.

4. The Commission to the Commission shall be altered
by you, and the Commission, the question that now arises, from
the interpretation put by you upon the interpretation given
by Government on the 15th May 1859 published in the
Portsmouth Gazette, page 10.

5. I submit for your consideration, that the members
of the Commission is still subject to the duty, in
the same manner, as he was previously to the promulgation
of that notification.

I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the above subject, and in reply to inform you that the same has been forwarded to the proper authorities for their consideration. I am, Sir, very respectfully,
 Yours, &c.
 J. F. Giddens
 Major &c.

From the undersigned Member of the Corps of
 The Madras Volunteer Cavalry Guards
 28/11/59
 To Major R. F. Giddens
 Commandant of the Corps

Madras 23rd November 1859,

Sir,

Para 1. We do ourselves the honor of enclosing a copy of a letter addressed by Mr. Galt, to The Municipal Commission, for the Town of Madras, under date the 8th Nov^r inst., appraising, as a member of the Corps, against a charge for 3 months' tax, assessed on him, for his Horse. -
 As also, a copy of an extract from the Proceedings of The Commissioners, under date the 18th Nov^r inst., instant, passed on that letter. -

2. - We are equally interested in a proper solution of the question raised by The Commissioners, and as we apprehend that no reasonable doubt can exist, as to Mr. Galt's construction of the Notification issued by The Honorable, The Governor in Council on the 13th May 1859, we

correct; we do ourselves the honor of
 soliciting, that you will take every step
 as you may deem it prudent, with the
 view of obtaining from the Government.
 The Governor in Council, an intimation,
 whether, in publishing the intimation
 in question, it was intended, that the
 Cavalry portion of the Volunteer Corps
 should be retained as a portion of
 the Force, and, like the Yeomanry
 and Volunteer Cavalry Corps in England
 be liable to be called out at such
 times, as Government might think proper
 for occasional service, &c. and which
 would, as we surmised, entitle us to claim
 compensation from the Government.
 as is the case in England.
 3. Many of the Members of the Corps
 are at present absent from the Corps,
 we do not however, wait to obtain their
 signatures, feeling convinced that they
 would join with us, were they at the
 Presence.

We have the honor to be

Your most obedient servant
