| 858        | Ind. Dept.  | 391            | 1860. Aug. 9 <sup>th</sup>  | Requesting to arrange with the several managers of the Madras Service and Charitable Funds, the required adjustments and to report when they have been effected for communication to the Supreme Government.                                                         | The Military Medical and Civil Funds have refunded. The Secretaries to the Military and Civil Funds have been called upon to state in what manner it would be convenient for them to refund the cost of donations received by them. |
| 2115       | F.R. Dept.  | 750            | Dec. 17 <sup>th</sup>       | Requesting to afford explanation in as concise a form as possible in respect to the discrepancies alluded to in this and other communications from the Consulting Engineer between his account and those kept by the Accountant General.                             | Will be explained in a separate letter of 3 <sup>rd</sup> Dec. 1860. or receipt of information called for by Railway Dept.                                                                                                          |
| 2339       | "           | "              | 1861. Jan. 11 <sup>th</sup> | Requesting the Accountant General will explain his reasons for dissenting from opinion of the Consulting Engineer for Railways that the expenditure incurred in the preliminary survey of the line from Madras to Bellary should be adjusted by the Home Government. | This explanation will be furnished on a reply being received to a reference made to the Agent and Managers of the Madras Railway Company.                                                                                           |
| 2855       | Ind. Dept.  | 309            | Nov. 8 <sup>th</sup>        | Calls for a report from the Accountant General on Mr. Waterfield's letter to the various Clashes of Deposits in this Presidency and in what manner they are disposed of.                                                                                             | Explanation called for from Collectors.                                                                                                                                                                                             |
