From
The District Engineer,
Presidency

To The Secretary to Government

Sir,

In returning the enclosed Treasury order No 1149 dated 7th August, I have the honor to bring to your notice that the Pay of the artificers at the Government House is calculated according to the number of days in the month, and the amount of the order will have to be reduced by Rupees 1-7-2 as there are only thirty days in June.

The total amount for the months of May, June and July will be thus reduced to Rupees 132-11-8 and as the artificers have nearly 4 months Pay due to them I have to beg that you will be good enough to see that no time is lost in furnishing me with another Treasury order for the amended amount.

Have the honor to be
